Leonie Quicker, 2021-11-19 Seminar paper from the year 2019 in the subject English Language and Literature Studies Literature grade 1.7 University of Paderborn language English abstract This term paper is set out to investigate the rise of fanfictions the reasons as to why they became particularly popular among women and what sort of circumstances and settings are used the most However considering these settings this term paper will put its main focus on homosexual relationships fanfictions to investigate the way masculinity is depicted Since there are many instances in which men resemble women it raises the question Do fanfiction writers change the image of masculinity in order to experiment and act out their sexual fantasies because it is easier and more enjoyable to write about partners who are considered equal in terms of their sex **Prophets. An analysis** Tarcisius Mukuka, 2021-04-19 Essay from the year 2021 in the subject Didactics Theology Religion Pedagogy grade 1 0 Kwame Nkrumah University language English abstract This present article aims at debunking the popular notion abroad of a prophet as someone who foretells the future in the manner of someone who has a speed dial to God and is afforded a telescopic view into the future not available to ordinary mortals A Zambian online newspaper Zambian Eye reported that Prophet T B Joshua was able to prophesy the enmity between President Edgar Lungu of Zambia and his nemesis Hakainde Hichilema after the death in office of the incumbent Michael Chilufya Sata But prophetic revelations know no bounds Their predictions range from predicting who in their congregation will be driving a BMW or will be pregnant this time next year presumably with a little libidinal help from the prophet showing the woman's husband how to do it while she ecstatically reaches orgasm shouting Alleluia to who will win the elections in the United States because God is really bothered about the political affiliation of US presidents because of the country's privilege of exceptionalism The paper tries to show that all this nouveau prophetism is a misunderstanding of the office of prophet in both the Hebrew Bible and Christian Bible Rather than foretell the future the prophet is someone who forth tells tells it as it is whether about the past present or future doesn't matter. In the process the popularity of modern prophets as God's merchandisers usually for personal gain is discussed As in the Hebrew Bible and Christian Bible there were always true and false prophets How to tell the difference one from the other was the recent conversation I had with my colleague whose niece had been haunted by a modern false prophet If the truth be told and to be fair to latter day prophets the choice is not always binary that is either true or false There are fifty shades of grey in between to adapt a trope from E L James erotica of the same title ranging from On a Night Like This Lindsev Kelk,2022-01-18 the genuine to the charlatan or spiritual conman The Musician ,1926
