Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are

all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions [Our Hands are Stained with Blood](#) Michael L. Brown, PhD,2019-09-17 Every Christian must read this shocking account of the Church s history The pages of church history are marked by countless horrors committed against the Jewish people From the first persecutions of the Jews in the fourth century to the horrors of the Holocaust from Israel bashing in today s press to anti Semitism spouted from the **Christian Antisemitism** Michael L. Brown,2021-02-02 Hate isn t a thing from history The Jewish people and Israel have been described as a dominant and moving force behind the present and coming evils of our day a monstrous system of evil that will destroy us and our children if not resisted and a group that seeks the annihilation of almost every Gentile man woman and child and the establishment of a satanic Jewish led global dictatorship What s worse is that these comments were all made by professing Christians Respected Messianic Bible scholar Michael L Brown PhD documents shocking examples of modern Christian antisemitism and exposes the lies that support them Carefully researched this book shows that church based antisemitism is no longer a thing of the past Rather a dangerous shocking tide on the rise and it could be present in your church today Dr Brown shows you how to stem this tide now and overcome its evil with the powerful love of the cross This book will show you how to confront everyday antisemitism in all areas of your life and become a champion for the people of Israel *The Hijacking of Christianity* Harry Charles, Ed.S.,2024-02-23 The Hijacking of Christianity is a whirlwind of exposing secrets that have been hidden for centuries We begin with the origin of Christianity We give you the religious world of Christianity as a jigsaw puzzle with all the hidden truths as pieces of the puzzle scattered around the world in secret places The writer places you the reader as participants As you read this book you will be able to literally see the puzzle come together We uncover who created Christianity where the cross came from who gave us all the holidays we currently celebrate and who was Jesus Christ how he was invented and what his real name is We expose why his real name was hidden from the world for centuries We reveal how and why the scriptures of the original Bible and characters were changed and why This book provides proof through research the Bible DNA geography science and writings of different scholars this book shows how deceptions cover ups distortions and the whitewashing of biblical characters icons the Messiah and God himself were changed **The Genealogical Science** Nadia Abu El-Haj,2012-04-26 This volume analyses the scientific work and social implications of the flourishing field of genetic history The author examines genetic history s working assumptions about culture and nature identity and biology and the individual and the collective **Seed Of Israel** Joshua Marks,2019-06-17 Jews are an ethnoreligious group indigenous to the Land of Israel The Jewish people were scattered across the world during multiple exiles What does our DNA tell us about our journey from our ancestral homeland of Judah to Europe or North Africa or the Middle East What does it mean when your

DNA test comes back as Ashkenazi or Sephardic or Mizrahi What admixture is underneath these categories These profound questions relating to Jewish genetics are just beginning to be answered and some questions might never be answered But modern genetic science has offered a window into the Jewish past that previous generations of Jews could have only dreamed of This book is for anyone interested in finding out their Jewish ancestry and interpreting the results This DNA journey can provide unexpected twists and turns and surprising results so get ready Ultimately as it did for me it will hopefully strengthen your Jewish identity and your connection to Am Yisrael People of Israel *The Times Index*, 1997 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement

Tracing Your Jewish DNA for Family History & Ancestry Anne Hart, 2003 Here's how to trace Jewish DNA specific to Eastern European Ashkenazim through a history of migrations toward a merging mosaic of communities A perfect book for beginners in interpreting your DNA test results for family history and ancestry and taking a closer look at the founding mothers of Eastern European Jewish communities as well as the fathers Where did the women originate What directions were the migrations in ancient medieval and later times And how did this bring about the particular DNA genetic patterns we see today in the diverse Eastern European Jewish communities now found all over the world Look up the genealogy of Jewish genes DNA through 3 000 years of history Here's how to interpret your own results You don't need a science background to match your DNA to your most recent common ancestor who lived 250 or 100 or 1 000 years ago Scientists speak out on the founding mothers and fathers of the Ashkenazic Jewish communities

Legacy Harry Ostrer MD, 2012-08-10 Who are the Jews a race a people a religious group For over a century non Jews and Jews alike have tried to identify who they were first applying the methods of physical anthropology and more recently of population genetics In *Legacy* Harry Ostrer a medical geneticist and authority on the genetics of the Jewish people explores not only the history of these efforts but also the insights that genetics has provided about the histories of contemporary Jewish people Much of the book is told through the lives of scientific pioneers We meet Russian immigrant Maurice Fishberg Australian Joseph Jacobs the leading Jewish anthropologist in fin de siècle Europe Chaim Sheba a colorful Israeli geneticist and surgeon general of the Israeli Army and Arthur Mourant one of the foremost cataloguers of blood groups in the 20th century As Ostrer describes their work and the work of others he shows that to look over the genetics of Jewish groups and to see the history of the Diaspora woven there is truly a marvel Here is what happened as the Jews migrated to new places and saw their numbers wax and wane as they gained and lost adherents and thrived or were buffeted by famine disease wars and persecution Many of these groups from North Africa the Middle East India are little known and by telling their stories Ostrer brings them to the forefront at a time when assimilation is literally changing the face of world Jewry A fascinating blend of history science and biography *Legacy* offers readers an entirely fresh perspective on the Jewish people and their history It is as well a cutting edge portrait of population genetics a field which may soon take its place as a
