## Do It Again Stepbrother Seductions:

*Seduction* Lauren Smith, 2018-12-16 A single kiss could ruin everything A single picture might already have Kat Roberts knows she shouldn't be in love with Tristan Kingsley He's British nobility she's the American outsider at Cambridge and worst of all he's her soon to be stepbrother But secrets have a way of slipping through the cracks especially when desire refuses to stay hidden Christmas in London was supposed to be perfect Sneaking kisses across the hall Whispered promises in the dark But when a stolen moment with Tristan is splashed across the tabloids in a fairy tale style photograph their carefully guarded secret is no longer safe Tristan has never cared what the world thinks but he's never had something this real to lose With the press circling and their families on the verge of finding out every look every touch every heartbeat between them feels like borrowed time Because once the truth is out there's no going back A forbidden stepbrother romance tangled in British boy charm and a scandal that could either destroy them or set them free *Milady* Laura L.

Sullivan, 2019-07-02 From the glittering ballrooms of 17th Century England to the dangerous intrigues of the French court Laura L Sullivan brings an unlikely heroine to the page turning on its head everything we've been told about The Three Musketeers and their ultimate rival I've gone by many names though you most likely know me as Milady de Winter Villainess Seductress A secondary player in someone else's tale It's finally time I tell my own story The truth isn't tidy or convenient but it's certainly more interesting Before you cast judgment let me start at the beginning and you shall learn how an innocent girl from the countryside became the most feared woman in all of Europe Because we all know history was written by men and they so often get things wrong **Eve and Her Evil Stepbrothers 3: Breaking Eve (Why Choose Paranormal**
