Catalog of Copyright Entries Library of Congress. Copyright Office, 1961 **El misterio del cuarto amarillo / El perfume de la Dama de Negro** Gaston Leroux, 2010-09-02. Cómo logra este enorme victorhuguesco escritor francés perteneciente a esa clase de amantes de la buena mesa y la buena vida prolongar sus relatos de misterio sin que el interés decaiga. El misterio del cuarto amarillo desafía a nuestra lógica una y otra vez guiándonos por caminos falsos y conduciendo al mismo vez a los lectores hacia metas que se revelan como espejismos hasta que al fin el gran Leroux alza el telón y la verdad hasta entonces enmascarada como en su famosa novela El fantasma de la pera nos permite contemplar su terrible rostro. Y El perfume de la Dama de Negro donde de nuevo aparece el detective Rouletabille es otro buen ejemplo de esa persecución lógica que nos obliga a emprender. Leroux no en vano grandes cultivadores de la novela policíaca posterior como Agatha Christie o John Dickson Carr han experimentado auténtica devoción por el autor del Cuarto amarillo y viendo los viejos retratos del escritor francés uno se pregunta hasta qué punto ese otro grande y aventurero detective belga no fue heredero no solo lógico la propia Agatha lo confesaba sino biológico de las creaciones y la apariencia física del propio Leroux. Del prólogo de Jos Carlos Somoza. Uno de mis escritores favoritos de todos los pesos y categorías. Gaston Leroux. Fernando Savater.

Pero de noche solo en un castillo en ruinas en una comarca famosa por su cosecha de cadáveres desangrados es otra cosa. Por una estúpida apuesta sus vacaciones en la nieve se convierten en una sucesión de situaciones peligrosas. Y por si fuera poco tiene además algunas preocupaciones: el niño o pijo se ha empeñado en quitarle a su novia ha de descubrir al enmascarado de quien se ha enamorado. María Gual y lo más importante: superar un cursillo acelerado de esquí.

Unidos de nuevo Ally Blake, 2012-10-04. Se suponía que le encantaba estar soltera pero en realidad estaba enamorada de su marido. Kelly trabajaba mucho para demostrar que no había nada mejor que la vida de soltera. De hecho había empezado a escribir una columna sobre el tema. Pero ocultaba un secreto que jamás podría contarles a sus lectores: estaba casada. Llevaba cinco años sin ver a su marido hasta que apareció. Simon había vuelto a Melbourne atraído por su columna y Kelly pensó que era el momento adecuado para entregarle los papeles del divorcio. Sin embargo Simon tenía otros planes: quería arreglar su matrimonio.
