Looking with Robert Gardner

Rebecca Meyers,William Rothman,Charles Warren,2016-09-20 During his lifetime Robert Gardner 1925 2014 was often pigeonholed as an ethnographic filmmaker then criticized for failing to conform to the genre s conventions conventions he radically challenged With the release of his groundbreaking film Dead Birds in 1963 Gardner established himself as one of the world s most extraordinary independent filmmakers working in a unique border area between ethnography the essay film and poetic experimental cinema Richly illustrated Looking with Robert Gardner assesses the range and magnitude of Gardner s achievements not only as a filmmaker but also as a still photographer writer educator and champion of independent cinema The contributors give critical attention to Gardner s most ambitious films such as Dead Birds 1963 New Guinea Rivers of Sand 1975 Ethiopia and Forest of Bliss 1986 India as well as lesser known films that equally exemplify his mode of seeking anthropological understanding through artistic means They also attend to his films about artists including his self depiction in Still Journey OnM 2011 to his roots in experimental film and his employment of experimental procedures and to his support of independent filmmakers through the Harvard Film Study Center and the television series Screening Room which provided an opportunity for numerous important film and video artists to present and discuss their work

True South

Jon Else,2017-01-24 TRUE SOUTH does several things at once On one level it s a biography On another it s a lucid recap of many of the signal events of the civil rights movement A warm and intelligent book The New York Times No one is better suited to write this moving account of perhaps the greatest American documentary series ever made Else tells the story with the

compassion and eloquence it deserves Adam Hochschild author of KING LEOPOLD S GHOST BURY THE CHAINS and TO END ALL WARS The inside story of Eyes on the Prize one of the most important and influential TV shows in history Published on the 30th anniversary of the initial broadcast which reached 100 million viewers Henry Hampton s 1987 landmark multipart television series Eyes on the Prize an eloquent plainspoken chronicle of the civil rights movement is now the classic narrative of that history Before Hampton the movement s history had been written or filmed by whites and weighted heavily toward Dr King s telegenic leadership Eyes on the Prize told the story from the point of view of ordinary people inside the civil rights movement Hampton shifted the focus from victimization to strength from white saviors to black courage He recovered and permanently fixed the images we now all remember but had been lost at the time Selma and Montgomery pickets and fire hoses ballot boxes and mass meetings Jon Else was Hampton s series producer and his moving book focuses on the tumultuous eighteen months in 1985 and 1986 when Eyes on the Prize was finally created It s a point where many wires cross the new telling of African American history the complex mechanics of documentary making the rise of social justice film and the politics of television And because Else like Hampton and many of the key staffers was himself a veteran of the movement his book braids together battle tales from their own experiences as civil rights workers in the south in the 1960s Hampton was not afraid to show the movement s raw realities conflicts between secular and religious leaders the shift toward black power and armed black resistance in the face of savage white violence It is all on the screen and the fight to get it all into the films was at times as ferocious as the history being depicted Henry Hampton utterly changed the way social history is told taught and remembered today **The Independent Filmmaker's Law and Business Guide** Jon M.

Garon,2021-08-03 Today s independent and digital filmmaking demands a clear guide to the business and legal aspects of the art What fundraising options are available to a filmmaker When should a filmmaker establish a corporation or limited liability company How do screenwriters protect their work What are a director s legal obligations to the producer cast and crew and what are their obligations in return This indispensable resource addresses the legal financial and organizational questions that an independent or guerrilla filmmaker must face and the problems that will doom a project if left unanswered It demystifies issues such as founding a film company obtaining financing preparing a budget securing locations shooting granting screen credits and distributing exhibiting and marketing a film Newly updated and expanded this third edition explores concepts such as integrating social media crowd funding and nonprofit status funding diversity inclusion and compensation equity and distribution via streaming services Appendixes provide sample contracts and riders copyright circulars Documentary Filmmakers Statement of Best Practices in Fair Use and more [Telecinematic Stylistics](#) Christian Hoffmann,Monika Kirner-Ludwig,2020-05-14 Over the last two decades the study of discourse in film and television has become one of the most promising research avenues in stylistics and pragmatics due to the dazzling variety of source material and the huge pragmatic range within it Meanwhile with the advent of streaming and the box set film and television

themselves are becoming separated by an increasingly blurred line This volume closes a long standing gap in stylistics research bringing together a book level pragmatylistic showcase It presents current developments from the field from two complementary perspectives looking stylistically at the discourse in film and the discourse of and around film This latter phrase comes to mean the approaches which try to account for the pragmatic effects induced by cinematography This might be the camera work or the lighting or the mise en scene or montage The volume takes a multimodal approach looking at word movement and gesture in keeping with modern stylistics The volume shows how pragmatic themes and methods are adapted and applied to films including speech acts im politeness implicature and context In this way it provides systematic insights into how meanings are displayed enhanced suppressed and negotiated in both film and televisual arts **Documentary**
