ON THE GROUND

Dmz Vol 1 On The Ground

Brian Wood

Dmz Vol 1 On The Ground:

DMZ Vol. 1: On the Ground Brian Wood, 2006-06-20 In the near future America's worst nightmare has come true. With military adventurism overseas bogging down the Army and National Guard, the U.S. government mistakenly neglects the very real threat of anti-establishment militias scattered across the 50 states. Like a sleeping giant, Middle America rises up and violently pushes its way to the shining seas, coming to a standstill at the line in the sand, Manhattan. Or as the world now knows it, the DMZ. Matty Roth, a naive aspiring photojournalist, lands a dream job following a veteran war correspondent into the heart of the DMZ. Things soon go terribly wrong, and Matty finds himself lost and alone in a world he's only seen on television. There, he is faced with a choice: find a way off the island or make his career with an assignment most journalists would kill for. But can he survive in this savage war zone long enough to report the truth? Dmz (2006), Volume 1 Brian Wood, 2013

Placing America Michael Fuchs, Maria-Theresia Holub, 2014-03-15 In *Call Me Ishmael*, Charles Olson exclaims, "SPACE to be the central fact to man born in America." Indeed, from the start, history and identity in America have been intricately tied to issues of space, from the idea of the city upon a hill to the transnational soft power of the United States. Space has always served as an important parameter of power, gained or lost, and of the struggles to maintain or resist it. With contributions that range from the construction of America in European academic discourses to children's fiction, this collection provides an extensive and insightful study of how space influences our understanding of America. 500 Essential Graphic Novels Gene Kannenberg, 2008 Featuring full-color images from the best moments in graphic novel history, this comprehensive reference explores everything from dragons, cow races, and monstrous rats to insider secrets from Casanova himself. Includes top ten must-reads for every popular genre. **Vertigo First Cut** Various, Jason Aaron, 2008 Collects the first issues of *DMZ*, *Army at Love*, *Jack of Fables*, *The Exterminators*, *Scalped*, *Crossing Midnight*, *Loveless*, and *Preview of Air*.

Korea North Air Force Handbook Volume 1: Strategic Information and Weapon Systems IBP USA, *Comics Values Annual 2007* Alex Malloy, 2007-03-30 Cross-referenced listings aid in easily identifying and accurately assessing collections.

The Encyclopedia of the Vietnam War Bloomsbury Publishing, 2011-05-20 Now in its second edition, this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U.S. history. The Vietnam War lasted more than a decade, was the longest war in U.S. history, and cost the lives of nearly 60,000 American soldiers as well as millions of Vietnamese, many of whom were uninvolved civilians. The lessons learned from this tragic conflict continue to have great relevance in today's world. Now in its second edition, *The Encyclopedia of the Vietnam War: A Political, Social, and Military History* adds an entire additional volume of entries to the already exhaustive first edition, making it the most comprehensive reference available about one of the most controversial events in U.S. history. Written to provide multidimensional perspectives into the conflict, it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history, including the French experience and the Indochina War, as well as the origins of the

conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO *Yearbook of the United Nations, Volume 49 (1995)* United Nations,2023-12-18 Fully indexed the 1995 edition of the Yearbook is the single most current comprehensive and authoritative reference publication about the work of the United Nations other international organizations and related bodies The book is designed not just for use by diplomats officials and scholars but also by other researchers writers journalists teachers and students The year 1995 was a remarkably eventful one for the United Nations and in the conduct of international relations This volume of the Yearbook details the activities of the United Nations its many organs agencies and programmes working together to rekindle a new form of multilateral cooperation for a better world It records the diverse and globe encompassing activities of the United Nations and its enduring efforts to deal with the world s pressing concerns particularly matters of international peace and security disarmament human rights the settlement of regional conflicts economic and social development the preservation of the environment control of drugs and narcotic substance abuse crime prevention adequate shelter youth and the ageing and humanitarian assistance for refugees as well as disaster relief **School Library Journal** ,2007 An Account of the Progress in Meteorology in the Year ...
