Fixing And Flipping Real Estate Strategies For The Post Boom Era:

Fixing and Flipping Real Estate Marty Boardman, 2014-03-01 Let's face it fixing and flipping houses is sexy Who doesn't love the idea of buying a rundown mold infested shack and transforming it into someone's dream home for massive profits Reality TV shows make it look so easy A little paint here some new kitchen cabinets there and presto The house is sold for big bucks and everyone lives happily ever after If only it were that simple Fixing and flipping houses is a business In order for a business to survive prosper and grow systems must be put in place Fixing and Flipping Real Estate Strategies for the Post Boom Era is a book that breaks down the four essential components of a fix and flip business giving you the building blocks to efficiently buy and sell 1 to 20 properties a month in today's post boom era housing market You'll learn about each of the boxes Acquisition How to find and buy a profitable real estate deal Rehabbing How to systematically remodel a house and how not to underimprove or overimprove your property Sales How to sell your flip for the highest possible price in the shortest possible time Raising Capital How to get the capital you need to grow your business including using other people's money for your real estate deals without getting sued or going to jail In the post real estate boom era fixing and flipping is again a solid business especially in the sand states Arizona California Nevada Texas and Florida among others It's also a good bet in states as diverse as North Carolina and Washington State And with the real estate market projected to bottom out nationally in 2012 this time for real there are plenty of houses to be renovated and plenty of money to be made by the enterprising in all fifty states This book shows real estate investors everything they need to know to get started fixing and reselling houses either as a substantial sideline or a full on business

Know and Grow the Value of Your Business Tim McDaniel, 2013-08-31 A woman looking to retire said to author and valuation expert Tim McDaniel I need to sell my business for 2.5 million to support my country club lifestyle The reality was that her business was worth 750,000 How could she have been so wrong As McDaniel a veteran of over 2,000 valuation engagements and dozens of M & A deals knows all too well most owners work in their businesses and not on their businesses He has seen the look of surprise on client faces far too often It's only worth that much In the rush of day to day work and decisions business owners sometimes forget that their business is an investment and something they need to watch nurture and care for just as they would a valuable antique vase or painting

Know and Grow the Value of Your Business An Owner's Guide to Retiring Rich shows readers how to develop the investment mindset value the business bolster that value and maximize the return on their investment and finally exit the business either through a sale to outside parties or by passing it on to family or other business insiders This information couldn't be more important Typically 60-80% of a business owner's wealth is tied up in the value of the business This is their most important asset but they usually guess at its value and have no concrete plan to increase it That's why this book shows The importance of treating your ownership interest in a business as something deserving near daily attention How a company is valued and how others outside the business view that value Steps you can take immediately to increase the value of your business The

different kinds of potential buyers and what attracts them How to remove yourself from the day to day work of the business to plan for a brighter future How to exit the business on your terms In short this book helps business owners get the most for their business when they decide it's time to move on

decide it's time to move on **Tax Insight** M. Casey Murdock, 2014-01-09 Tax Insight For Tax Year 2013 and Beyond will teach you to take control of life's biggest expense taxes. In your lifetime you will spend more money on taxes than on anything else. Despite that fact you likely know the current prices of movies and milk but don't know what your marginal tax rate is. You know where to get the cheapest gallon of gas to save a buck or two but you don't give a thought to the tax strategies you should be using right now that would save you thousands. Why is it too complicated and confusing? Too unpleasant. In Tax Insight tax expert Casey Murdock opens up the world of taxes with amazing clarity and simplicity. As you will discover you have within reach numerous ways to reduce your taxes. With everyday language and real life examples Tax Insight will give you the keys to minimizing your tax burden. This book contains information you need even if you have a tax advisor or use a program like TurboTax. Tax professionals are busy and sometimes too cautious and programs often miss opportunities for you to save money. It's also for those of all ages and income levels including business owners. Tax Insight Breaks down the key components of taxes with ease and simplicity. Provides a roadmap to paying as little tax as possible. Helps you know if you should do it yourself or hire a professional. While there are many encyclopedic books on taxes like J K Lasser's Your Taxes there aren't nearly enough that describe the tax code in plain language. Far more than a rehash of impenetrable IRS help documents Tax Insights is organized the way most people think and presents ideas in clear simple language. If you buy this book and take advantage of its advice you will save money.

Healthcare, Insurance, and You Lisa Zamosky, 2013-09-30 Healthcare is changing and you need to know how and what to do about it. Getting good medical care shouldn't be so confusing or so costly. Healthcare Insurance and You simplifies the many confusing details about our healthcare system so you can make informed decisions. Result: Better health at lower cost. With the advent of healthcare reform things are changing especially when it comes to insurance. Most people will now have to buy insurance. Do you know where to get a policy or what to look for in one? Did you know more people will now qualify for free or subsidized healthcare? Even if you get insurance through work you'll face new choices that you'd better understand to maintain your peace of mind. As this book shows the failure to understand how insurance and the healthcare system work can have a major impact on your physical and financial health. Healthcare Insurance and You is an easy to use guide that explains the main challenges you face when trying to get excellent healthcare: choosing the best insurance policy for your situation, finding the right doctor or hospital, buying prescription drugs the least expensive way, picking out the right Medicare plan or fighting for your rights when dealing with insurers or medical providers. Healthcare Insurance and You includes tips, resources and strategies for navigating the healthcare system and avoiding common mistakes so you can get the best healthcare for you, your family or your organization without breaking the bank. This book shows you how to choose a health plan that best meets your medical and financial needs including new options under the Affordable Care Act. Ways to cut through red tape and fight billing errors and claim denials. What businesses need to know about offering or not offering insurance to employees. How to plan ahead for a

disability or forend of life care Healthcare costs rank high on the list of money concerns Americans have And when it comes to getting great healthcare for you and your family and avoiding crippling medical bills knowledge is power Healthcare Insurance and You is a practical guide that explains the complicated healthcare system in plain language and puts the power of good health back in your hands
