 imprint of Franklin or on which he was known to have been employed During the eight years of his active collecting he
 succeeded in bringing together 174 separate items exclusive of a long run of the Pennsylvania Gazette It was one of the
 largest collections that had ever been formed and was remarkable for the very high average condition of the books as well as
 for the large number of titles yet so quietly had they been gathered that the collection was unknown except to a few of his
 intimate friends In 1908 the collection was purchased in its entirety by Mr John Gribbel through whose well directed efforts
 the number of titles has been not only almost doubled in itself a remarkable achievement but the collection enriched by the
 addition of many items of the greatest rarity In 1915 feeling that the most appropriate owner for the collection was the
 company publishing The Saturday Evening Post the journal direct in descent from Franklin s Pennsylvania Gazette Mr
 Gribbel transferred it to The Curtis Publishing Company In 1920 the collection was presented by the Curtis Publishing
