Ebook Online Library

Jennifer Alspach

Ebook Online Library:

E-books in Libraries Kate Price, Virginia Havergal, 2011 Despite the fact that e books have been in existence for decades in various guises and added to library collections for several years now there has been a noticeable lack of published manuals on the subject This is doubtless owing to the rapidly evolving nature of the market There is now a plethora of different types of digital object that may be termed e books and a bewildering number of business and access models to match Moreover the pace of change shows no sign of abating but there is an increasing amount of popular interest in e books and what is needed is practical information to assist library and information professionals managing collections of e books and doing their best to inform their users right now The book is divided into five parts The production and distribution of e books Planning and developing an e book collection Delivering e books to library readers Engaging readers with e books The future of e books Virginia Havergal BA Hons MSc MEd FIFL is a Learning Centres and e Resources Manager for Petroc a further education college in Devon Prior to this role she was an e Learning Advisor with JISC with a particular focus on Learning Resources Kate Price BA Hons MA MCLIP is Head of E Strategy and Resources at the University of Surrey Library Use of eBooks, 2013 Edition Primary Research Group, 2013 This report looks closely at how libraries use eBooks It is based on a survey of 68 academic public corporate legal and other special libraries and covers licensing collection planning use of consortiums for purchasing number and type of suppliers used spending levels spending plans use of tablets eReaders and other technologies use of eTextbooks eDirectories and related spending plans preferences for licenses from individual publishers or aggregators and plans for license renewals The study gives details of use of and spending on a broad range of vendors and distributors including Amazon and Barnes Noble among many others The study also covers use of eBooks for course reserves eBook issues in interlibrary loan and the emergence of dedicated endowments for eBook purchases The study also covers the types of eBook models preferred by libraries of different types and how librarians view likely developments in the eBook industry

Trade eBooks in Libraries Paul Whitney, Christina Castell, 2016-12-05 With the advent of downloadable retail eBooks marketed to individual consumers for the first time in their history libraries encountered an otherwise commercially available text format they were prevented from adding to their collections Trade eBooks in Libraries examines the legal frameworks which gave rise to this phenomenon and advocacy efforts undertaken in different jurisdictions to remove barriers to library access The principal authors provide a general historical overview and an analysis of library eBook principles developed by a variety of library associations and government reviews In addition experts from twelve countries present summaries of eBook developments in their respective countries and regions E-book Platforms for Libraries Mirela Roncevic, 2013 E book vendors continue to experiment adjustments to business models consolidation of content and mergers with competitors mean constant change What s good for innovation can equal confusion when it comes to choosing an e book platform for your library Making a sound purchasing decision requires research and close consideration of trade offs and Roncevic s new issue

of Library Technology Reports will get you started Based on surveys of e book vendors with an established presence in academic public and or K 12 library markets this report includes Background and business model descriptions for 51 leading e book vendors Four tables comparing content technical specifications functionality and business models An at a glance overview of platforms including vendor website URLs Bulleted checklists of factors to consider and questions to ask vendors An examination of the blurring channels of publisher aggregator and distributor platforms with advice to help you avoid content overlap

The Digital Reader Terence W. Cavanaugh, 2006 The rapidly increasing availability and low cost of e book technology make it perfect for schools and educators looking to expand their resources for readers This book introduces the unique features that have established e books as a powerful effective learning tool for all grade levels and for special needs students It includes descriptions and illustrations of the most popular e book platforms and programs as well as dozens of practical ideas for using e books for reading instruction personal productivity and curricular enrichment Brimming with interactive lesson ideas teaching tips and online resources this book is a must have for teachers in all content areas and library media specialists Descriptions of the most popular and affordable e book devices software and content for educators Guidelines for accessing the free digital library resources available on the Web and for creating your own e books using basic software tools Strategies for using the annotation reference and hypertext capabilities of electronic text to promote active reading

Ebooks in education Hazel Woodward, 2014-11-28 Ebooks are coming of age in education as this exciting collection commissioned by Jisc demonstrates Case studies reflecting ebook success stories across the higher and further education sectors include An innovative app to encourage ebook take up in a Welsh college A partnership between a library and research centre to create open access monographs and midigraphs Several examples of creative negotiations with ebook publishers Insight chapters address hot topics in the ebook universe including The changing world of access to scholarly digital content in the mobile environment The challenges faced by the library as online distance learning moves from margin to mainstream How ebooks have the potential to meet a wide range of accessibility needs Experimentation with ebooks as a shared service This collection will provide inspiration and guidance to institutions as they develop projects and services to support students and researchers and will be of interest to library practitioners publishers ebook vendors information professionals teachers lecturers and students Jisc in collaboration with Ubiquity Press is pleased to be making this publication available open access on a CC BY licence DOI <http://dx.doi.org/10.5334/bal>
