**Prayers and Meditations for Extraordinary Times** Aunt Le,2016-05-01 Why read ancient prayers Well there s the comfort of making the acquaintance of God s faithful whom we will someday meet in our glory everlasting there s the widening up of our own vocabulary so that phrases like someday meet in our glory everlasting go tripping off our tongue

**Images from the Mirror of Reality** Nigel Hyatt,2017-03 Humankind is the product of millions of years of evolution The question is has human evolution reached a peak or can we develop even further Many signposts indicate that the answer is yes we can go further While the bulk of human evolution has been a blind unconscious process rather than sit back and allow nature to take its course it is time to take matters into our own hands and usher in the next stage of human progress Thousands of individuals have attained this conscious evolution of the selfenlightenment over the centuries Defying the conventional wisdom of scientists and those who hold to conventional forms of religion these individuals have followed well trodden paths toward illumination proving that neither life nor nature can be bound by any scientific theory or religious dogma This book is oriented toward those who count themselves among the free thinkers of the world those who are willing to explore the reality of the unknown rather than deny the existence of regions of the mind body and spirit simply because they do not conform to preconceived ideas This does not mean that our essence our basic identity has to be replaced or destroyed Rather it implies re examining ourselves so that we are able to conceive of a universe that is infinitely more complex and varied than we have imagined To this end the book employs both poetry and discourses to awaken the dormant higher self FURTHER EVOLUTION IS POSSIBLE PROVIDED WE ARE WILLING TO EMBARK ON THE QUEST FOR truth

**To Mend a Broken Heart** Myunique C. Green,2018-01-09 I just want to write the words as I feel them bleeding from this old heart of mine Bad memories are never really forgotten Just suppressed under the mountain of lies we ve told ourselves so that the painful ones are easier to bear I remember a lot and my life has been emotionless for a long time I recall watching as my mother was beaten bloody in front of me and then as if I were old news I was cast away Until now I ve been patching the holes in my heart with band aids but I m ready to feel again So that true healing can finally begin **Gutenberg's**

*The Bishop, the Mullah, and the Smartphone* Bryan Winters, 2015-05-01 Not so long ago the world resisted change often using religious reasoning Small wonder the printing press a sixteenth century disruptive device split Christianity Now the globe welcomes digital disruption even praising it as a solution for faltering economies Religions don t have much choice but to follow because information is a prime asset of faith Believers treasure and reframe their past and present However both old and current data is now available in huge quantities visually and instantly Movies provide more spiritual guidance than holy texts and terror merchants use the uncontrollable Internet to gain hearts and minds Nevertheless a turbulent re mythologization of adherents towards peaceful versions of their belief can be tracked There are positive things we can all do to help which is just as well in a world that suggests only political acts count

**The Last Reform** Joshua Salva, 2013-05-21 Justification is not a Pardon but an acquittal The Last Reform clearly defines the difference between repent to be forgiven and Believe to be saved The latter is The Everlasting Gospel the former is religion A pardoned sinner is a sinner and sinners will not enter the kingdom of God It takes been declared Just Like in not guilty like in acquitted Without shedding of blood there is no remission of sin Hebrews 9 22 The Blood of Jesus cleanses us from all unrighteousness 1 John 1 7 if you believe it you are acquitted Then you are truly saved And this salvation is obtained by Grace alone through faith alone
