Exodus Doug Dandridge, 2015-10-24 Over Three Hundred Years Before Humanity Had Created Autonomous War Machines One Of Their Greatest Mistakes The machines had revolted with deadly consequences and humanity had barely escaped total disaster But some of the Machines had escaped and found a new home outside the Empire Already embroiled in a major war of extermination against an ancient foe stretched to the limit the New Terran Empire had found and saved a singular species with game changing powers in the unincorporated space opposite the main front That space also houses Bolthole a secret industrial base outside the Empire that is vital to the war effort And they had found the home of the Machines whose superindustrialized systems have produced a terrible war fleet with horrific planet killing vessels Stretched to the limit holding on by a string the forces of Exploration Command must battle and protect the two vital systems until Sean and the Empire can give them the means to fight another major war against an enemy of unknown but substantial industrial power Can they hold on Or will the Machines achieve a first victory on their way to the total defeat and destruction of the human species and after them all life in the Galaxy The second series in the *Exodus* Universe continues as humanity must pit all of its ingenuity and courage against emotionless killers who will do anything to destroy their creators Scroll up and grab a copy today

Exodus: Machine War: Book 3: Death from Above Doug Dandridge, 2018-08-21 The Machines are on the move to eradicate the presence of intelligent life in their space The Empire of New Terra newly come to this space have discovered that the Death Machines they had created centuries before are still in existence and they are out to destroy humanity Exploration Command with reinforcement by the Fleet was able to stop them from destroying Klassek and Bolthole but those were just the initial scouting forays This time the Machines are coming in earnest and they re bringing overwhelming force with them including more of their almost indestructible planet killers It is a battle of extermination for the Empire and their Klassekian allies The Machines are tireless and implacable and the Empire is already stretched to the limit on all fronts But organic intelligence has some abilities the Machines lack and they hope that with some mighty weapons and some brilliant tactics they can carry the day If not the Machines will continue on their crusade of death in the Persius arm and beyond

Exodus Doug Dandridge, 2018-08-21 The Imperial Fleet is now on the edge of Machine space ready to get rid of the things they thought they had killed centuries before The Gorgansha are happy to have the humans as allies against the death machines The humans aren t so sure about their new allies who remind them of the Cacas more than anything Admirals Beata Bednarczyk and Mara Montgomery already have their hands full battling the massive killing machines The Machines have recently discovered the secret of hyper VII putting them on an even level with the humans in propulsion tech And with their ability to quickly manufacture themselves they could prove to be too much Now the Imperials have an ally they can t stand but who they need to fight a successful campaign While the Machines open a new gambit striking at the very heart of the Empire and continue their campaign against the newest alien members of the Empire the

Klassekians The Emperor was counting on this being a minor war but things might be getting out of hand The saga continues as intelligent war machines try to wipe out all life they can locate and beleaguered organics attempt to stop them *Exodus: Empires at War*: Doug Dandridge,2012-12-14 The Saga Continues as the Ca cadasan menace prepares to assault the New Terran Empire A menace humankind fled across the Galaxy two thousand years before Humankind has grown complacent confident in the victories their fleet has won for them through the last thousand years over numerous alien races But the Ca cadasan Empire has continued to grow and now the massive Imperialistic power has found the hated humans The Emperor knew this was going to happen but most of Parliament ignored his strident call And the Prince Sean Lee Ogden Romanov third in line for the throne finds himself placed into a position he had never thought would come his way The fate of the Empire may rest on the abilities of one young man and his skills at navigating the maze of Imperial politics amidst a war of extermination Book two of the popular Exodus Series In the tradition of Poul Anderson and David Weber **Exodus** Jamie Sawyer,2018 Following Pariah comes Exodus the second book in The Eternity War series an explosive tale of elite marines deep space exploration and warring galactic empires Lieutenant Keira Jenkins and her Jackals may have survived confrontations with the Black Spiral terrorist network and a betrayal by one of their own Yet their troubles are only just beginning With their starship badly damaged they find themselves adrift in hostile territory Somehow they must find a way to warn the Alliance before the Black Spiral unleashes a new war across the galaxy But first they must face the Alliance's oldest enemy the Asiatic Directorate And the Directorate has a score to settle with Jenkins For more from Jamie Sawyer check out The Eternity WarThe Eternity War PariahThe Eternity War Exodus The Lazarus WarThe Lazarus War ArtefactThe Lazarus War LegionThe Lazarus War Origins
