integrated into commodity production generally as a result of American economic domination As an example of the practice of this new culture Jameson utilizes cinema which he regards as the preeminent postmodern medium due to its emphasis on sight Particular reference is given to Hollywood productions of the late 20th century As a representation of this genre my selection includes American Graffiti 1973 Pulp Fiction 1994 True Romance 1983 Back to the Future 1985 Peggy Sue got Married 1986 and Rumble Fish 1983 After   *Americana Style a la Mode Retro: Postmodern Pastiche Between Culture and Commodity* Irene Fowlkes,2009-06-16 Essay from the year 2006 in the subject American Studies Literature grade A University of Paderborn language English abstract An intriguing and controversial phenomenon in cultural theory is the fusion of high and popular culture as characteristic of the postmodern period Once provocative artists such as Brecht Picasso and others had lost their subversive powers in school curricula and the museum and so were fully embraced by the bourgeoisie In left wing reactionary fashion a new trend was born in British and American underground collectives which aimed to incorporate the trivial and commercial into cultural expression A new generation was on the move which regarded an absolute distinction between elite and mass production as extremely unhip The most famous example is probably Andy Warhol s pop art which inevitably brings to mind stacked up Brillo boxes Coca Cola bottles and Campbell soup cans combining sophisticated painting techniques with mundane advertising images When measured against the real culture of modernism postmodernism signifies a culture of kitsch in much of the approach conceptualized by the leading American theorist Fredric Jameson He puts a distinctly political spin on the concept of postmodernism in his book Postmodernism or the Cultural Logic of Late Capitalism He views it as the cultural dominant of global capitalism What has happened is that aesthetic production today has become integrated into commodity production generally as a result of American economic domination As an example of the practice of this new culture Jameson utilizes cinema which he regards as the preeminent postmodern medium due to its emphasis on sight Particular reference is given to Hollywood productions of the late 20th century As a representation of this genre my selection includes American Graffiti 1973 Pulp Fiction 1994 True Romance 1983 Back to the Future 1985 Peggy Sue got Married 1986 and Rumble Fish 1983 After closely viewing these movies their aesthetic style will be related back to the concepts of Jameson s theory My analysis will be guided by the assumption that many of the features of the theory essentially will be affirmed ultimately illustrating that the distinction between high and low art has in fact vanished
