 Pollard,2018-12-11 This story has been with me for a long time what the Israelite had to do until Jesus Christ became the
 sacrifice for us There were cattlemen or ranchers who provide animals for food and wool so this is one of those stories about
 a family that provided animals to the city for food and the story of a young lad wanting to do the L rd G d s work while he was
 on this earth He became a rabbi and had a family that became a doctor and rabbi and a housewife who solves mysteries and
 loves mankind Please note that the words L rd and G d or L rd G d has the O missing because this is a story about the Jewish
 religion so I give respect to their tradition of leaving the O out of the spelling of these words I am a Gentile and practice the
 Protestant form of religion and have no Israelite blood or Jewish blood in my veins other than the gaffing into the vine by the
 blood that was shed on the cross of Calvary Anything that you find that is not right it is an error on the part of the author for
 I have only the King James Bible and what I glean from the internet websites and the books in my library and the power of
 the Lord Jesus Christ through the Holy Spirit to guide me This is where this information came from Any name or names that

 This book deals with the personal experiences and feelings of the author These poems describe the eventful life s journey of
 the author where she finds life a beautiful blank sheet of waves and whenever she stepped upon her unknowingly trying to
 overcome the instances The book defines the vast momentum and love of the author where she loves to explore the ardent
 emotional powers and loves to write about the admiring violent impetus curbing the whole wild nature as well as the unique
 female cosmos holiness The author describes the experiences she had during her childhood period where she was
 permanently force to wear the same old school forks shirts and socks and she happily describes the joyous moments when
 she walk down the street crossing the water filled paddy field deep into the water on the rainy day with those old rubber
 shoes The book also beautifully highlighted the nature s epitome of unconditional love and how men trample upon through
 the natures beauty the author seems to describe the numbers of affection developed within her consciousness with the

environment There are innumerable instances of the poet's feelings describing the quantum moments of her sisterhood with their sisters and brothers relationship of her emotions describing how she rules her own self and her kingdom where she beautifully describe her wilderness without egos The book also describes the authors love for the animals rainy seasons and snowy winter and she also hunts for the reasons of the reasoning truth of the society of the humanity and of the self destruction There are beautiful instances where the author express her illusionist moments which she find herself lost into the vast unpredicted desires and effort less to handle but just letting go of all those moments and never giving up of herself remembering little things in her life This book is indeed a beautiful master piece of the writer all sum up in one go
