**Florida Real Estate Principles, Practices and Law** Linda L. Crawford, George Gaines, David Coleman, 2004-10      Civil Costs Mark Friston, 2010. In the UK the law of costs has undergone something of a transformation over the last ten years following the abolishment of legal aid in many areas of civil law and the introduction of the Civil Procedure Rules which has a major impact on the assessment of costs. Costs have become a battleground between claimants and defendants and while the law in this area has begun to settle down in the last year or so it appears that the well publicized costs war is not over yet. With costs continuing to be a contentious, complicated and fast moving area of law, *Costs Law and Practice* provides a thorough and rigorous analysis of all aspects of UK civil costs with practical applications, detailed references and precedents.
