**Sustaining Depth and Meaning in School Leadership** Emil Jackson, Andrea Berkeley, 2020-07-15 Sustaining Depth and Meaning in School Leadership Keeping Your Head concerns the emotional and psychological experience of school leadership in particular the felt experience of life as a headteacher It describes the pressures and rewards of the role together with some of the ways that school leaders successfully sustain and develop themselves and their teams in what has become an increasingly complex challenging and highly accountable role This book explores the personal experience of leading schools Part I provides an overview and analysis of current and historical trends in school leadership and offers some theoretical frameworks for making sense of these Part II then offers psychodynamic approaches to supporting and

developing school leaders and the impact that trends in executive education continue to have on this Part III looks at approaches to school leadership development more generally including team development influences from the business world the growth of mentoring and coaching as a leadership intervention the design and evaluation of leadership development programmes and a case study on whole system development The final word is given to ten serving headteachers and deputies and their leadership journeys This range of chapters concepts and perspectives will support school leaders to maintain an emotional equilibrium while navigating the multilayered tightrope of intrapsychic interpersonal and organizational dynamics inherent in school life Rooted in Jackson and Berkeley's belief that school leaders are likely to be at their best when they find their own unique and authentic way of taking up their leadership role this book is an accessible supportive and developmental contribution for all those involved in education leadership *Guide to Getting the Mentoring You Need*, 2012
