Disciples Sherry A. Weddell Foreword by Bishop Philip A. Egan, 2022-08-12 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples As we emerge from a pandemic into a post Christian world these are times of immense challenge and enormous opportunity for the Catholic Church in the United States Consider these statistics Fully 10 percent of all adults in America are ex Catholics Nearly three quarters of young Catholics think that they could be a good Catholic without going to Mass every Sunday Catholic marriages have declined by almost two thirds since 1969 even as the number of Catholics in the United States has grown significantly Only one third of Catholics believe that the bread and wine actually become the Body and Blood of Jesus Christ at the consecration during Mass If the Church is to reverse these trends the evangelizers must first be evangelized In other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him Ten years after it was first published *Forming Intentional Disciples* is still helping scores of Church leaders parish staff and all Catholics transform parish life from within World renowned author and speaker Sherry Weddell leads you through the steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world *Forming Intentional Disciples* Sherry A.

intentionally disciplined twelve people every day for three and a half years and then commanded us to go and make disciples as well. And he empowered us by sending us the indwelling Holy Spirit to guide us. The early church thrived and expanded by imitating the intentional relational methods Jesus modeled yet somewhere along the way we lost sight of the simple truth that Jesus' methods of disciple making are as holy as his message. It's time to relearn those methods, examine the obstacles in our lives that prevent us from imitating the ancient ways of Christ, and approach all our relationships differently, making disciples in Jesus' name and growing spiritually in the process.

4 Chair Discipling Dann Spader, 2019-01-01. Dann Spader is a disciple maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves. Over 750,000 people in 80 countries have been trained to make disciples through organizations he has led. Through studying the life of Christ and His disciple making methods, Dann developed 4 Chair Discipling, a simple picture for others to follow. Jesus' last words on earth had a few very specific instructions: Go, make disciples, baptize, and teach. But what does that mean for us today? Well, it's not easy. But it is simple. Teacher and leader Dann Spader explains disciple making as a process of moving people through four chairs from someone seeking to know more about Christ to someone who makes disciples themselves. Chair 1: Come and See (John 1:39). Chair 2: Follow Me (John 1:43). Chair 3: Become a Fisher of Men (Matthew 4:19). Chair 4: Go and Bear Fruit (John 15:16). In the process of His four-year ministry, Jesus realized that different people are at different stages of growth and development, and He works to challenge each of them to the next level. In 4 Chair Discipling, you'll get a clear and simple picture of how to follow in Jesus' footsteps and do the same thing. Follow Floyd McClung, 2010-09-01. Isn't it time to stop asking "What would Jesus do" and start asking "What is Jesus doing now?" Follow is a real-life guide to discipleship the Jesus way. Here Floyd McClung tells how he traded a life of religion for a life of relationship with Jesus, a relationship that led him to form communities of Christian disciples around the world. Taking the Gospels at face value leads Floyd to define a radical strategy for discipling new believers while strengthening our own devotional lives. He details practical ideas for forming discipleship groups that reflect Jesus's principles of accountability, transparency, humility, and outreach. Through it all, Floyd emphasizes the importance of following Jesus personally rather than adhering to ineffective rules or traditions. With stories and scriptural principles, Floyd McClung leads us through the liberating process of changing the focus of our lives from ourselves to Jesus so we can do life the way Jesus did and experience a richer spiritual life than we've ever known.
