Self-Publishing Secrets Clark Offring,2019-02-08 Learn from a publisher who has 4 years of fulltime publishing experience and makes more than a decent living with it Self publishing is a tricky business Still there are people who have made tens of thousands of dollars and others who use it as a passive income stream hobby or legit business to invest in Doing it the right way matters Just uploading a book isn t good enough even if the book itself is very good Armed with the best tools and marketing methods you can make more with your writing or marketing skills on the online platforms You will learn for instance How you can rank for keywords on the biggest book platform in the USA Tips and tricks to get an E Book paperback and audiobook out there Everything you need to know about using promos to your advantage Price strategies that make a huge difference in your revenue streams How to use social media squeeze pages email lists and other online tools to market your books How to use series excerpts cross promotions and bundles to make more money Suggestions for gathering reviews Tips for gambling a bit with ads and calculating your profit How to use affiliate links to earn a little extra every month Riskier ways to publish and distribute but getting more profit The top categories and dates to run your promos *Targeting Websites Dedicated to Stealing American Intellectual Property* United States. Congress. Senate. Committee on the Judiciary,2011 **Enjoy Self-publishing** Patty Jansen,2024-12-03 I ve self published for over ten years I ve seen the industry start take off and mature I ve seen tactics companies and people come and go However over that time a few important principles have always held true but in the morass of advice of varying quality it can be hard to separate the wheat from the chaff In 2017 I wrote the Unboxed books a series of four books about how to publish sustainably and by that I mean in a manner so that you can keep doing it long term and how to use your mailing list to set up a self perpetuating sales vehicle While the strategies haven t changed many of the peripheral situations have In short we have far more and better tools but far more competition not only from other authors on the sales front but also from services that entice us to spend ever more money before we publish This book is my ultimate guide to what you need what you can try and what is likely to be a waste of your money and time Over more than 500 pages I talk about the unvarnished experience of self publishing and selling books while keeping control of my catalogue and not funding anyone s private jet in advertising costs I wrote this book to pay it forward to the community I don t sell courses I don t do affiliate marketing I have no vested interest in anyone s self publishing journey Except for this I want you to enjoy it Searcher ,2009 Ophthalmologist William H.
