Self-games and Body-play Dennis D. Waskul, 2003 One of the most fascinating dimensions of online chat and cybersex are the ways that their medium the Internet allows people to reconfigure relationships between self body and social interaction Online chat participants discursively write a self into existence in a disembodied medium that

allows for extreme fluidity and multiplicity cybersex participants evoke bodies in words and images manipulating relationships between selfhood and the corporeal body Perhaps never before have so many people been actively involved in social psychological experiments in which they redefine themselves in ways that are so distinctively at the cutting edge of important social and cultural transformations Based on over 150 interviews with online chat and cybersex participants *Self Games and Body Play* is an empirically grounded analysis of how these unique experiences provide a lens for better understanding the nature of personhood in everyday life **Faith First** ,2000 [The Morning Star and Free Baptist](#) ,1899
