historians of the West and to general readers who are interested in his poignant story Doc Holliday A Family Portrait will be considered the definitive Holliday biography and will supplant all previously published works on the man's life as a complete and authoritative account This book will undoubtedly take a place among the foremost books in the Western gunfighter genre Robert K DeArment author of *Alias Frank Canton* **Bill O'Reilly's Legends and Lies: The Real West** David Fisher, Bill O'Reilly, 2015-04-07 The must have companion to Bill O'Reilly's historic series *Legends and Lies: The Real West* a fascinating eye opening look at the truth behind the western legends we all think we know How did Davy Crockett save President Jackson's life only to end up dying at the Alamo Was the Lone Ranger based on a real lawman and was he an African American What amazing detective work led to the capture of Black Bart the gentleman bandit and one of the west's most famous stagecoach robbers Did Butch Cassidy and the Sundance Kid really die in a hail of bullets in South America Generations of Americans have grown up on TV shows movies and books about these western icons But what really happened in the Wild West All the stories you think you know and others that will astonish you are here some heroic some brutal and bloody all riveting Included are the ten legends featured in Bill O'Reilly's *Legends and Lies* docuseries from Kit Carson to Jesse James Wild Bill Hickok to Doc Holliday accompanied by two bonus chapters on Daniel Boone and Buffalo Bill and Annie Oakley Frontier America was a place where instinct mattered more than education and courage was necessary for survival It was a place where luck made a difference and legends were made Heavily illustrated with spectacular artwork that further brings this history to life and told in fast paced immersive narrative *Legends and Lies* is an irresistible adventure packed ride back into one of the most storied era of our nation's rich history *Man-Hunters of the Old West* Robert K. DeArment, 2017-04-06 Settlers in the frontier West were often easy prey for criminals Policing efforts were scattered at best and often amounted to vigilante retaliation To create a semblance of order freelance enforcers of the law known as man hunters undertook the search for fugitives These pursuers have often been portrayed as ruthless bounty hunters no better than the felons they pursued Robert K DeArment's detailed account of their careers redeems their reputations and reveals the truth behind their fascinating legends As DeArment shows man hunters were far more likely to capture felons alive than their popular image suggests Although Wanted Dead or Alive reward notices were posted during this period they were reserved for the most murderous desperadoes Man hunters also came from a variety of backgrounds in the East and the West of the eight men whose stories DeArment tells one began as an officer for an express company and another was the head of an organization of local lawmen Others included a railroad detective a Texas Ranger a Pinkerton operative and a shotgun messenger for a stagecoach line All were tough survivors living through gunshot wounds snakebites disease buffalo stampedes and every other hazard of life in the Wild West They also crossed paths with famous criminals and sheriffs from John Wesley Hardin and Sam Bass to Wyatt Earp Butch Cassidy and the Sundance Kid Telling the true stories of famous men who risked their lives to bring western outlaws to justice *Man Hunters of the Old West* dispels long held myths of their cold

American Cowboy Chronicles Old West Myths & Legends** Thomas Correa,2019-12-14 This book is about the real Old
West The research presented here comes from what I ve found during my more than forty five years of researching American
history but especially what I ve learned in regards to the other side of the myths and legends of the Old West In 2010 I
started a blog The American Cowboy Chronicles to share what I ve learned and celebrate the virtues of America My articles
on the Old West have never been meant to dispel the myths or attack legends but to simply explain what I ve found after
taking a hard look an honest look an objective look at the evidence that s available Since evidence proves or disproves what
we ve all been told about the Old West by Hollywood and writers who are not objective researchers this is my attempt at
taking a fresh look at Wyatt Earp Tom Horn and others But mostly this book is about why the American Cowboy became
America s quintessential role model This book looks at why the American Cowboy represents American toughness

independence and resilience to the rest of the World Wyatt Earp's Cow-boy Campaign Chuck Hornung,2016-05-12 What can be learned from another retelling of the Tombstone saga Recent revelations challenge the traditional view of Wyatt Earp's campaign against the Cow boy confederation as a bloody personal feud a la western fiction It was a seek and destroy mission sanctioned by the United States attorney general the U S marshal and the Arizona Territory governor following a year of corrupt law enforcement in league with the Cow boys livestock raids stagecoach holdups and other atrocities Presented in three sections this book establishes the major players involved in the convergence on Tombstone provides an account of Earp's activities during the 18 months prior to the final action and discusses the provenance and credibility of the Otero Letter Discovered in 2001 the letter believed to be written by New Mexico Territory Governor Miguel Otero offers evidence that Earp's party was given government aid The author examines the details of the letter including the shotgun duel between Earp and Curly Bill the split between Earp and Doc Holliday sanctuary for the Earp posse in Colorado and Holliday's extradition fight Earp's covert assault resulting in Johnny Ringo's death and the controversial courtship and marriage of Earp and Josephine Marcus *Wyatt Earp* Casey Tefertiller,1999-03-11 Quite impressive I doubt if there has been or will be a more deeply researched and convincing account Evan Connell author *Son of the Morning Star* Custer and the Little Bighorn The book to end all Earp books the most complete and most meticulously researched Jack Burrows author *John Ringo The Gunfighter Who Never Was* The most thoughtful well researched and comprehensive account that has been written about the development and career of an Old West lawman *The Tombstone Tumbleweed* A great adventure story and solid history Kirkus Reviews A major contribution to the history of the American West It provides the first complete and accurate look at Wyatt Earp's colorful career and places into context the important role that he and his brothers played in crime and politics in the Arizona territory This important book rises above the realm of Western biography and shows the development of the Earp story in history and myth and its effect on American culture John Boessenecker author *Gold Dust and Gunsmoke* The ultimate Wyatt Earp book Professor Richard Brown University of Oregon *Southern Son* Victoria Wilcox,2019-09-01 You've heard Doc Holliday's history but do you know his story His name conjures images of the Wild West of gunfights and gambling halls and a legendary friendship with Wyatt Earp but before Doc Holliday was a Western legend he was a Southern Son The story begins in Civil War Georgia as young John Henry Holliday welcomes home his heroic father and learns a terrible secret about his mother with his only confidant his favorite cousin Mattie As the Confederacy falls and tragedy strikes John Henry's hero worship turns to bitter anger and he joins with a gang of vigilantes to chase the Reconstruction Yankees out of their small Georgia town When their murderous plot is discovered and brings threats of military prison he vows to change his reckless ways leaving home to attend dental school in Philadelphia and hoping to become a respected professional man worthy of asking for his cousin Mattie's hand But when he returns from two years in the North he finds family intrigues lies and revelations rivals for Mattie's affections and a violent encounter that changes everything and starts him on the road to

Western legend Southern Son is the first book in the award winning Saga of Doc Holliday an epic American tale of heroes and villains dreams lost and found families broken and reconciled of sin and recompense and the redeeming power of love
