**Experiencing Christ** Darrell Poeppelmeyer,2023-04-05 This is Book One of a six book series on Nazarene soteriology salvation This book applies the insights gained from studying 2 000 years of Christian salvation to our modern situation It examines modern salvation experiences as interpreted by Scripture Christian tradition rational responses and emotional encounters with God The perspective comes from the Nazarene view of two works of grace as Christian Conversion and Holy Purpose Holy Purpose always follows Christian Conversion The other five books look at previous historical periods The Recovery of Doctrine in the Contemporary Church Richard Heyduck,2002 Heyduck examines the false options on doctrine that modernity has offered the church especially his own tradition United Methodism and suggests ways to get beyond this impasse **A Man of One Book?** Donald A. Bullen,2007 John Wesley claimed to be a man of one book and early Wesley scholarship accepted uncritically that the Bible was his supreme authority In the late twentieth century American Wesley scholars discussed what has been termed the Wesley Quadrilateral the authority of the Bible tradition reason and experience and this to some extent does help explain the method by which Wesley read and interpreted the Bible However modern biblical reader response criticism has drawn attention to the central role of the reader in his her interpretation of scriptural texts Donald Bullen argues that Wesley came to the Bible as a reader with the presuppositions of an eighteenth century High Church Arminian Anglican in which tradition he had grown up He then found his beliefs confirmed in the scriptural text Claiming to base all his beliefs on the Bible he found himself in controversy with others who made similar claims but came to

different conclusions The implications of this are explored in depth *Rethinking Wesley's Theology for Contemporary Methodism* Randy L. Maddox,1998 One of the most surprising developments in contemporary Methodist theology is the degree to which leading Methodist and Wesleyan systematic theologians are reengaging John Wesley finding his works instructive provocative and stimulating for their own theological reflection Such a broad and purposeful dialogue with Wesley by theologians of the Wesleyan heritage is unprecedented in this century and much rarer in the previous century than is popularly believed This volume presents a set of original essays that represent and embody this new engagement allowing the reader to see how several prominent theologians are self consciously reexamining and reappropriating their theological tradition **Doctrine and Theology in the United Methodist Church** Thomas A. Langford,1991 This volume is intended to set in historical context the official United Methodist theological statements in the Disciplines of 1972 and 1988 and to foster reflection on and discussion of the 1988 statement **Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature** John McClintock,James Strong,1883 Encyclopedia of American Religions J.
