Doden Met Verlof Depressie En Doodsdrift:

From Autothanasia to Suicide Anton J. L. van Hooff, 2002-09-11 Using almost a thousand case studies both real and fictional Dr van Hooff provides us with a unique and engaging insight into self killing in the Graeco Roman world The author analyses the methods and motives which lie behind self killing relating them to ancient popular morality as it appears in the various media and traces the development of the concept of self murder as opposed to the original idea of autothanasia which lies at the root of the Christian abhorrence of suicide
