Do It Yourself A Handbook For Changing Our World:

Do It Yourself Trapese Collective, 2007-06-27 Kaleidoscopic energetic and refreshingly full of practical details Could become a cult classic Robert Newman comedien and novelist A wonderful book I recommend it with enormous enthusiasm John Holloway author of *Change the World Without Taking Power* Very thoughtful and sophisticated helps you act and makes you think Give it to everyone you know and don't leave yourself out either Rebecca Solnit author of *Hope in the Dark* A Radical Guide to Ethical and Sustainable Living Climate change resource wars privatisation the growing gap between rich and poor politicians that don't listen Massive issues but how can we make any difference **Do It Yourself A Handbook for Changing Our World** shows how It's not a book about what's wrong with the world but a collection of dynamic ideas which explore how we can build radical and meaningful social change ourselves here and now The book weaves together analysis stories and experiences It combines in depth analytical chapters followed by easy to follow How to Guides with practical ideas for change Taken together these small steps can move us towards taking back control of our lives from governments and corporations Written and edited by activists and grassroots campaigners **Do It Yourself** is part of a growing response from the global social justice movement The book reflects on their experiences covering nine different areas Low impact living reducing your energy consumption Decision making organising without leaders Food setting up and growing a community garden Health organising a health collective Education inspiring change through learning together Alternative media challenging the mainstream by creating your own media Autonomous spaces setting up and running a social centre Cultural activism unleashing creative potential Direct action building and maintaining effective campaigns **The Handbook for Changing Our World** is the first book to be published by Pluto Press under the ground breaking Creative Commons license allowing greater rights for non commercial uses **Do It Yourself** Trapese, **The Trapese Collective**, 2007-05-20 Do you really want to change the world If the answer is YES then this book shows you how Ethical consumerism is now big business But leading a sustainable and truly radical life encompasses a whole variety of things that challenge the mainstream This book shows how we can make real changes to the way we live In simple steps it describes how you can create sustainable and equitable ways of living that can help transform not just your own life but the culture around you The book weaves together analysis stories and experiences It combines in depth analytical chapters followed by easy to follow How to Guides with practical ideas for change Taken together these small steps can move us towards taking back control of our lives from governments and corporations *The Transition Handbook* Rob Hopkins, 2008-02-25 Move from feeling anxious about the oil crisis to developing a positive visions and taking traction action to create a more self reliant existence with this ground breaking book We live in an oil dependent world and have become reliant in a very short space of time using vast reserves of oil in the process and without planning for when the supply is not so plentiful Most of us avoid thinking about what happens when the oil runs out or becomes prohibitively expensive but the reality may not be as bad as we think **The Transition**

Handbook shows how the inevitable and profound changes ahead could have a positive effect Written by permaculture expert Rob Hopkins he discusses the possibility of a rebirth of local communities which will generate their own fuel food and housing These will encourage the development of local currencies to keep money in the local area and unleash a local skilling up so that people have more control over their lives The growth in interest in the Transition model continues to be exponential There are now more than 35 formal Transition Initiatives in the UK including towns cities islands villages and peninsulas with more joining as the idea takes off With little proactivity at government level communities are taking matters into their own hands and acting locally If your community has not yet become a Transition Initiative this upbeat guide filled with beautiful black and white photographs offers you the tools to get started The Transition Handbook is the perfect manual to guide communities as they begin this energy descent journey

DIY Citizenship Matt Ratto, Megan Boler, 2014-02-07

How social media and DIY communities have enabled new forms of political participation that emphasize doing and making rather than passive consumption Today DIY do it yourself describes more than self taught carpentry Social media enables DIY citizens to organize and protest in new ways as in Egypt s Twitter revolution of 2011 and to repurpose corporate content or create new user generated content in order to offer political counternarratives This book examines the usefulness and limits of DIY citizenship exploring the diverse forms of political participation and critical making that have emerged in recent years The authors and artists in this collection describe DIY citizens whose activities range from activist fan blogging and video production to knitting and the creation of community gardens Contributors examine DIY activism describing new modes of civic engagement that include Harry Potter fan activism and the activities of the Yes Men They consider DIY making in learning culture hacking and the arts including do it yourself media production and collaborative documentary making They discuss DIY and design and how citizens can unlock the black box of technological infrastructures to engage and innovate open and participatory critical making And they explore DIY and media describing activists efforts to remake and reimagine media and the public sphere As these chapters make clear DIY is characterized by its emphasis on doing and making rather than passive consumption DIY citizens assume active roles as interventionists makers hackers modders and tinkerers in pursuit of new forms of engaged and participatory democracy Contributors Mike Ananny Chris Atton Alexandra Bal Megan Boler Catherine Burwell Red Chidgey Andrew Clement Negin Dahya Suzanne de Castell Carl DiSalvo Kevin Driscoll Christina Dunbar Hester Joseph Ferenbok Stephanie Fisher Miki Foster Stephen Gilbert Henry Jenkins Jennifer Jenson Yasmin B Kafai Ann Light Steve Mann Joel McKim Brenda McPhail Owen McSwiney Joshua McVeigh Schultz Graham Meikle Emily Rose Michaud Kate Milberry Michael Murphy Jason Nolan Kate Orton Johnson Kylie A Pepler David J Phillips Karen Pollock Matt Ratto Ian Reilly Rosa Reitsamer Mandy Rose Daniela K Rosner Yukari Seko Karen Louise Smith Lana Swartz Alex Tichine Jennette Weber Elke Zobl
