PROJECT PROPOSAL GUIDE

You must write a proposal for every film you produce. This needs to be signed by me before you can film.

Your proposal should be at least **one side of typed A4**.
Use this as a guide to writing it....

Description

(This is your longest section. Add as much detail as you can)

Provide an explanation of your ideas.

What is your film about?

What will it look like?

What has inspired your ideas?

What other films/filmmakers/artists etc have you looked at?

Resources

What equipment will you need?

Will you be using any specific editing techniques or special effects and how will you achieve these?

Actors and Locations

Where will you be shooting your film and who will be in it (if anyone)? Do you need to get permission from anyone to use your locations? Are there children in your film and do you have their parents/carers permission?

Health and Safety

Are there any issues involved in shooting your film that might result in a risk to health and safety to you, your actors or the public? How will you manage these risks?
