Dr Prem's Guide Wellness Tourism:

Dr Prem's Guide - Wellness Tourism Prem Jagyasi, 2015-11-24 Wellness tourism is a swiftly expanding niche amidst the existing flourishing tourism industry. The book explores the gamut of purposefulness driving the readers to move ahead in the quest for achieving a healthy state of body and mind. Often the target fulfillment is possible only if one is aware of the huge potential trapped in certain practices and cults available in specific countries. The reader gets an exposure to the domain of wellness tourism realizing its correlation with the complete well-being of mind and body. The subsequent chapters deftly touch the different domains of this niche tourism and its history backed by strong analysis and facts. As an ideal guide, the book provides a deep insight in planning an effective tour package, pointing out certain loopholes that you may overlook. A myriad of therapies, concoctions, and performances prevalent in domestic and foreign cultures described in the book holds the reader's attention till the end. The lucid and well-formatted description of various therapies like spas, mud therapy, sound and light therapy, water therapy, writing therapy, meditation, yoga, and many more is encouraging enough for the reader to explore this avenue for his or her wellbeing.

Dr Prem's Guide - Medical Tourism Dr Prem Jagyasi, 2015-11-30 The booming medical tourism industry has been of special attraction to global tourists who are now opting for top-class medical treatments across borders along with spending a vacation. This enriched guidebook comes as a storehouse of valuable information related to each and every aspect related to medical tourism. Not every country has the infrastructure and expertise to provide the best medical support for every ailment. People migrating to foreign lands seeking relief from their bodily sufferings is a method practiced since primitive days and with gradual technological advancements it has taken the shape of medical tourism today. The initial chapters of the book provide you a vivid understanding of the medical tourism concept and the plausible reasons that encourage the phenomenon. The vivid narration of associated wellness and health tourism and its different domains are no doubt added attractions forcing the reader to adopt a different thought process in availing medical support way ahead of the conventional ones. Certainly the aim is to achieve better quality of life. The well-constructed chapters provide step-by-step guidance alerting the reader of possible loopholes while considering medical tourism. A well-crafted description of 68 medical tourism destinations highlighting their uniqueness in medical tourism is the most attractive part of this book, helping the person in need to select the right destination as per his requirement and affordability.

Medical, Dental, and Wellness Tourism Mary Schreiber Swenson, Amit Bansal, 2024-01-09 *Medical Dental and Wellness Tourism: A Post-Pandemic Perspective* offers a thorough and informative guide to medical travel and tourism for the treatment of health-related issues. The book first defines medical, dental, and wellness tourism and travel for treatment and then goes on to look at the myriad issues involved, such as benefits and challenges of travel for treatment, how the COVID-19 pandemic has affected the treatment sectors in tourism, selecting the right destination and facility, ending your life in another country, the growing world of birth tourism, dental tourism, medical travel for second opinions, privacy, and health data security, the importance of post
