

Protocol for Administering the DRA

Before Testing

1. Find a starting point:
 - Refer to last spring's score if available
 - Grades 4-8, start at grade level
 - For a first grader, start at Level 3 at the beginning of the year or 10-12 mid-year
2. Select the text you will be using.
 - Will you be choosing the text or allowing the student to choose?
3. Assemble the assessment Materials you will need-text booklets and Observation Guides

Administering Procedure

Only certified staff can administer the DRA. Student teachers may be trained to give the DRA with certified staff supervision only.

1. Administer the assessment in a quiet area where other students cannot hear the conversation (if possible)
2. Read all teacher directions exactly as stated on the Observation Guide Sheets (Marked T)
3. Introduce the story reading the introduction exactly as listed.
4. Ask student for a prediction.
 - Make note of teacher prompts
5. Ask students to read the passage and remind them they will be asked to retell the story when they finish reading it.
6. Take a record of oral reading. (It is important that the same conventions be used by all staff for standardization purposes).

While taking the record of oral reading, check off strategies used or keep notes for later reference (fluency, problem solving used).

7. Ask the student to "start at the beginning and tell what happened in this story." Highlight or underline the information the student includes in the story retelling on the story summary.

Calculate prompts: "Tell me more"= 1 prompt, Questions=2nd prompt, other questions each count as additional prompts

- Note order that child retells to ascertain sequence of event.
- Clarify "Tell me more" or "questions". Each time teacher does says either of those, it is equivalent to a prompt (e.g. tell me more and 4 questions = 5 prompts).

8. Ask the Response Questions
