Dreams And Deceptions:

Psychological Problems and Their Big Deceptions David W. Shave, 2018-03-01 Psychological Problems And Their Big Deceptions reveals the multiple fraudulent and deceptive concepts of both Psychology and Psychiatry such as the present day gross misuse of the PTSD diagnosis while introducing the foremost but previously unrecognized concept the Unconscious Entity Though all people do not have a mental illness everyone without exception has periods of being emotionally uncomfortable This book convincingly shows what causes a state of being emotionally uncomfortable to any degree and what is necessary to regain a state of being emotionally comfortable In doing this one will conclude it is a lot less the psychological counsel in someone seeking professional help and much more the listening in any counseling that makes the cure This book explores in detail a dimension of human communication Psychology and Psychiatry have yet to fully appreciate that has an immense capacity to make a person more emotionally comfortable as well as an equally immense capacity to keep a person emotionally comfortable That dimension is prevalent in any on going small talk and is mutually utilized to the same degree by the participants of that talking
