

8th Grade Graduation Speech

Good afternoon, everyone. My name is Shelly Daggs, principal of Grace Middle School. Here before you today stands a group of bright, high achieving individuals that are about to embark on the next step of their academic journey. Students, congratulations! You are now almost high schoolers – ready for more responsibility, more work, and more opportunities than you could ever imagine. I want to personally thank each and every one of you for the contribution you have made to Grace Middle School. We are all better because of each and every one of you. Grace is very proud of you, and I know that each of you will continue to show the world your brilliance.

This year has been absolutely a delight to spend with you all. Our students are involved in over forty clubs and organizations that they have founded themselves. Many of these clubs and organizations are competing on a county and statewide level, showing you the kind of dedication and talent that these students possess. I hope you are very proud of your children, because we sure are! I know that every single one of you will make us proud in whatever you do in the future. Please, keep up the good work and keep your enthusiasm high for all of us!

As you progress onwards to 9th grade, I hope you take some time to relax. After all, this will be the first year in which you won't have a summer math review packet! You are all very high-achieving and talented students who will undoubtedly change the world some day. We are so proud to have been a part of your journey, and hope you will visit us again. On behalf of all the faculty and staff of Grace Middle School, congratulations on your graduation, and enjoy your summer break!

Eighth Grade Graduation Speech:

"Wait, What Do You Mean?" Martha Schmidtman Dunne, Aspie Speakers, 2010-09-22 The cover is eight year old Dylan Dunne's artwork Loved and saved for twenty eight years by the author it seemingly was meant for the cover of this book featuring son Dylan The drawing is profound in its prescience and lyrical in its execution Like a juvenile self portrait the depiction personifies the child who no wonder would grow up saying Wait What Do You Mean It is this mom's Aspie Boy This tell and show story is about a family losing one son and finding another It is about anxiety confusion depression information identification acceptance and appreciation a classic theme of darkness and light But the story is about much more than one family It is about three generations of living as an adult with Aspergers Syndrome Commentary from those who now recognize their presence in Aspiedom writing on WrongPlanet.net other Internet forums and on personal blogs is included here In the Aspies Speak chapter they unfold their experiences for you as you turn the pages

California Dreams and American Contradictions Monique McDade, 2023-03 California Dreams and American Contradictions establishes a genealogy of western American women writers publishing between 1870 and 1965 to argue that both white women and women of color regionalized dominant national literary trends to negotiate the contradictions between an American liberal individualism and American equality Monique McDade analyzes works by Maria Amparo Ruiz de Burton Helen Hunt Jackson Sui Sin Far and a previously unstudied African American writer Eva Rutland to trace an archive of western American women writers who made visible what dominant genres subsumed under images of American progress and westward expansion Read together these writers provide new entry points into the political debates that have plagued the United States since the nation's founding and that set the precedent for westward expansion Their romances regional sketches memoirs and journalism point to the inherently antagonistic relationship between a Rooseveltian rugged individualism that encouraged an Anglo male dominated West and the progressive equality and opportunity the West seemingly promised disenfranchised citizens The writers included in California Dreams and American Contradictions challenged literature's role in creating regional division conformist communities that support nationally sponsored images of gendered ethnic and immigrant others and liberal histories validated through a strategic vocabulary rooted in freedom equality and progress

Kneebockers Chuck Blackburn, 2008-04-17 Kneebockers is a book about life It is a name and yet it is also a spirit within my being The name was given to me at ten years old by another boy probably based on what I was wearing at the time I was a lad from the east dressed in short pants suspenders shirt sweater and leather Buster Brown shoes standing in the front of a two room schoolhouse in the Wild West of 1946 where blue jeans were the norm The incident at the time seemed to be just a short quick response made by a group of school kids toward a boy who looked and seemed different However the name of Kneebockers stayed with me for a lifetime I would not realize until years later as I grew and matured that the impact of the name on me would become bigger by the day No one else other than my father and those few kids knew that I was

Kneebockers Kneebockers was within me a spirit a drive an identity A human being who was somewhat different My father was a major influence on forming a path for Kneebockers He provided a solid foundation for a young kid of ten and allowed me to mature through my teen years and into adulthood while safely bound to that basic structure The tales in this book tell a story of the bonds and love between my father a tough hardworking ironworker and welder and me his easygoing innocent son Together we headed west from New York State to Reno Nevada in 1946 Wes Blackburn my father was my mentor my rock and my inspiration in a lifetime of experiencing how to really live and appreciate each and every day My lessons began when living in and appreciating the vastness of the Nevada desert and the mountains in the West Two people together who many times never saw another human being for days on end The deer coyotes rabbits eagles hawks and buzzards became our company It was there that I began to discover who I could be on this earth and what I could learn about the earth My classroom was nature and the first topic was history Prospecting was a vehicle for turning back the clock to the 1800s Standing in an old mine with all of its strange tools still sitting intact against the tunnel wall due to the preservation of the dry desert air was more than just a reminder of days long ago These desert experiences formed a foundation for other exciting adventures that are a part of Kneebockers's life This single book could be many books Kneebockers River Guide Kneebockers the Golfer Kneebockers the Teacher and Coach Kneebockers the Voice of the Warriors or Kneebockers in the Political Arena Although this book covers only some of these episodes it holds open the opportunity to find out what Kneebockers is up to in his later years In this book I have looked inside myself to share the overwhelming emotions that occur when drift fishing on the Smith or Klamath River for salmon and steelhead hopefully allowing the reader to experience pulling hard on eight foot oars in heavy current while maneuvering through riffles whirlpools backwashes and large rocks to put the boat in proper position to catch that spectacular fish I strive to share the butterflies entering the stomach as a golfer gets up to execute a one hundred fifty yard golf shot flying over a lake and bunkers to hit a green and sink a putt to win a golf championship It is the spirit of Kneebockers that provides the drive the incentive the eagerness to tackle such challenges in life I love the Kneebockers in me the energy the drive to do my best A saying comes to mind that pretty well sums up the Kneebockers in me Lets be winners even if it must occasionally be in defeat I used that mantra as a guideline for my coaching of players in both basketball and golf I have used it as a guideline for my life in general I hope that these tales will provide a lightness to life in this stressful world I hope that some individuals can benefit from the lessons of a solid relationship

Walk a Mile in My Shoes Paul Bradford, 2025-05-16 Life is hard WALK A MILE IN MY SHOES Surviving Life's Challenges is an award winning book that captures unique stories about one man's damaged and broken world The author shares first person narratives about poverty child abuse war prison divorce homelessness and his sexual orientation conflict He presents a disheartening glimpse of our fractured criminal probation system His saga embraces a sense of purpose and strength that appeals to assorted ages lifestyles and socio economic groups Paul Bradford's narrative is honest

and unfiltered as he confronts staggering misfortune and unprecedented self realizations and SHOUTS a cautious optimism of hope despite the imperfect consequences of each experience His adventure is a heartfelt portrayal of one man s journey to the top of the mountain and the depth of the valley The author s perseverance highlights personal growth and lessons learned that are a testament to the resilience of the human spirit About the Author Paul Bradford s youth was scarred by poverty an alcoholic and physically abusive father and his mother s death when he was nine After his father abandoned him Paul came of age while living in five foster homes He served his country in the Army where he was severely wounded in the Vietnam War and earned the Purple Heart and a Bronze Star for Heroism Although he battled an internal conflict most of his life about his sexual orientation Paul built a flourishing life with his wife and two children and became a successful businessman His fate drastically changed after he committed his one and only crime which led to a five year prison sentence and ten years probation His 43 year marriage collapsed and his children turned against him No one would give him a job and he became destitute and homeless He is 77 years young and lives in Austin Texas

When Jack Was with Us B. K. Holway, 2009-05 Urban realism in the tradition of E L Doctorow William Kennedy Philip Roth and Jimmy Breslin When Jack Was With Us immerses the reader in neighborhood life in New York City from the late 1950 s through the late 1960 s Unlike many other novels by Baby Boomers this novel makes no attempt to sugarcoat or nostalgize it presents life as the author saw it while growing up in all its beauty and all its brutality There is no single protagonist a number of characters whose lives intertwine each seek to make the best out of their lives amid the rich and often volatile ethnic tapestry of New York against the backdrop of social change as the novel moves from the somnolent 1950 s through the turbulent 1960 s Each character struggles and finds his her damnation or redemption amid a city that personifies a nation in flux It is a coming of age not only for the characters but for the greater American collective psyche

Golden State Michael Hiltzik, 2025-02-18 NATIONAL BESTSELLER Superb Hiltzik makes a compelling case that California is the heartbeat of our nation Douglas Brinkley New York Times bestselling author of Silent Spring Revolution From Pulitzer Prize winner Michael Hiltzik a definitive new history of California from the Spanish conquistadors to the Gold Rush to the state s meteoric rise as a tech powerhouse and bulwark of progressivism and of its indelible mark on the United States and the world California has long reigned as the land of plenty a place where the sun always shines and opportunity beckons Even prior to its statehood in 1850 it captured the world s imagination We think of bearded prospectors lured by the promise of gold we imagine its early embrace of immigrant labor during the railroad boom as prologue to its diverse social fabric today But what lies underneath the myth is far more complicated Thanks to extensive research by Michael Hiltzik one of our longstanding voices on California Golden State uncovers the unvarnished truth about the state we think we know well From Spanish incursions into what became known as Alta California to the rise of Big Tech the history of California is one of stark contradictions In rich previously overlooked detail we see its earliest statesmen wreak havoc among native peoples while racing to draft their own constitution even

ahead of statehood Gold hungry settlers venture into the Sierra foothills only to leave with little while a handful of their suppliers turn themselves into millionaire railroad magnates Wars erupt in the name of water as Los Angeles booms and early efforts to tame the vast landscape create a haven for fossil fuel extraction and environmental conservation alike Hollywood politicians stoke fear contributing to a centuries long tradition of anti Asian violence and remarkably legal redlining and free higher education take root together Golden State brings a fresh critical eye to the origins of the state against which the rest of the country measures itself From its very start Hiltzik shows the story of the United States was written in California *On Speech and Speakers* H.
