Eisenhower And Latin America The Foreign Policy Of Anticommunism

John A. Britton

Eisenhower And Latin America The Foreign Policy Of Anticommunism:

Eisenhower and Latin America Stephen G. Rabe, 2017-10-01 Stephen Rabe's timely book examines President Dwight D. Eisenhower's Latin American policy and assesses the president's actions in light of recent Eisenhower revisionism. During his first term, Eisenhower paid little attention to Latin America, but his objective there was clear: to prevent communism from gaining a foothold. The Eisenhower administration was prepared to cooperate with authoritarian military regimes but not to fund developmental aid or vigorously promote political democracy. Two events in the second administration convinced Eisenhower that he had underestimated the extent of popular unrest and thus the potential for Communist inroads: the stoning of Vice President Richard M. Nixon in Caracas and the radicalization of the Cuban Revolution. He then began to support trade agreements, soft loans, and more strident measures that led to CIA involvement in the Bay of Pigs invasion and plots to assassinate Fidel Castro and Rafael Trujillo. In portraying Eisenhower as a virulent anti-Communist and cold warrior, Rabe challenges the Eisenhower revisionists who view the president as a model of diplomatic restraint. John Foster Dulles and the Diplomacy of the Cold War Richard H. Immerman, 2021-03-09 As Dwight D. Eisenhower's Secretary of State, John Foster Dulles came to personify the shortcomings of American foreign policy. This collection of essays representing the first archivally based reassessment of Dulles's diplomacy examines his role during one of the most critical periods of modern history. Rejecting familiar Cold War stereotypes, this volume reveals the hidden complexities in Dulles's conduct of foreign policy and in his own personality. **The Presidency of Dwight D. Eisenhower** Chester J. Pach, Elmo Richardson, 1991 The best single volume available on the Eisenhower presidency. Stephen E. Ambrose, author of *Eisenhower* *Military Intelligence*, 1989 **The Eisenhower Administration, the Third World, and the Globalization of the Cold War** Kathryn C. Statler, Andrew L. Johns, 2006 In the US, the Cold War is often remembered as a two-power struggle. The Eisenhower administration placed an extremely high priority on victory in the Third World. This book assesses the impact of the globalizing Cold War and the process of decolonization on the Eisenhower administration's foreign policy. It is intended for diplomatic historians. **American Foreign Relations Since 1600** Robert L. Beisner, 2003 In this book, a team of distinguished historians has culled the most important published and unpublished works in US diplomatic literature and thoroughly annotated them. The work comprehensively covers five centuries from America's colonial era to the end of the 20th century, with half the entries on works published since the first edition and nearly half on post-World War II subjects. *The Eisenhower Administration and U.S. Foreign and Economic Policy Towards Latin America from 1953 to 1961* Yu-Cheng Teng, 2020 The thesis aims to examine Eisenhower's foreign policy towards Latin America from 1953 to 1961. In order to win the Cold War, the leading bureaucrats were split over different approaches needed to achieve policy objectives in Latin America within the hierarchically regularized machinery, but it was not necessarily welcomed by every Latin American nation. There were three problems with Eisenhower's staff structuring arrangement towards Latin America: a politicization of

U S Latin American relations from 1953 to 1961 by senior U S bureaucrats with an anti communism agenda for Latin American development b neglect of Latin American requests for public funds before 1959 c bureaucratic conflicts over different methods to achieve foreign policy objectives often resulting in tensions between policy and operations The bureaucratic approach limited U S understanding of Latin America meaning a the National Security Council NSC advisory system could not meet stated ideals b the American approach had limited applicability to Latin American societies c tensions existed between U S ideals and political economic and social realities in Latin American countries By examining the Foreign Relations of the United States volumes and Latin American literature this thesis moves beyond the existing scholarship of U S Latin American relations and provides a new appraisal of Eisenhower s approach towards Latin America in the Cold War context

The United States and Latin America John A. Britton,1997-04-10 A convenient description of the content of books and articles in the area of United States Latin American relations **Total Cold War** Kenneth Alan Osgood,2006 Osgood focuses on major campaigns such as Atoms for Peace People to People and cultural exchange programs Drawing on recently declassified documents that record U S psychological operations in some three dozen countries he tells how U S propaganda agencies presented everyday life in America to the world its citizens living full happy lives in a classless society where economic bounty was shared by all Osgood further investigates the ways in which superpower disarmament negotiations were used as propaganda maneuvers in the battle for international public opinion He also reexamines the early years of the space race focusing especially on the challenge to American propagandists posed by the Soviet launch of Sputnik

U.S. Diplomacy Since 1900 Robert D. Schulzinger,2008-02-07 U S Diplomacy Since 1900 has long been admired as the most comprehensive and accessible survey available Now in its sixth edition the book traces the major events in the history of U S foreign relations from the Spanish American War to the present Schulzinger explains how U S foreign policy is made and discusses public ideas about foreign relations The engaging narrative places U S foreign relations in the context of the growing interdependence and globalization of international affairs The text has been thoroughly updated to cover U S diplomacy post 9 11 including a discussion of whether or not the U S is an empire This sixth edition also features new one page profiles of significant or illustrative people places events or innovations that highlight themes of the chapters and a short glossary of terms used in international affairs In this text students will find the most recent scholarship much of which has been informed by insights from related disciplines in the social sciences and humanities Distinguished by its combination of narrative and analysis and by its in depth explanations of how and why policy is made the sixth edition of U S Diplomacy Since 1900 is an invaluable resource for students of diplomatic history foreign relations and political science

Democratization and the Politics of National Security in Argentina Joan Patrice McSherry,1994 **Books from Chapel Hill, 1922-1997** University of North Carolina Press,1997 Books From Chapel Hill 1922 1997 A Complete Catalog of Publications From the University of North Carolina Press Southwestern Historical Quarterly ,1989 **The**

Military-industrial Complex Gregg B. Walker, David A. Bella, Steven J. Sprecher, 1992 Thirty years ago Dwight D Eisenhower in his farewell address as President warned of a military industrial complex a complex organizational system seemingly beyond the control of citizens and their elected government With Eisenhower's ideas as inspiration this book offers a collection of essays that examine various aspects of the U S Military Industrial Complex and the farewell warning The book reflects an interdisciplinary effort essays come from such fields as history economics sociology business and communication

America, History and Life, 2002 Article abstracts and citations of reviews and dissertations covering the United States and Canada **S.E.L.A.**, 1992 **Statesmen Who Changed the World** Frank W. Thackeray, John E. Findling, 1993-04-26 Statesmen Who Changed the World provides extensive essays on more than 70 statesmen of the Western world covering the time period from the 15th century to the present Some of the statesmen included were heads of state others held ministerial positions in foreign affairs a few were neither heads of state nor foreign ministers All influenced or changed the world in which they lived Each essay includes a thorough and insightful biographical sketch covering the subject's life and career with particular emphasis on the subject's involvement in international affairs In addition each essay provides a bibliographical essay describing the available archival materials works written by and about the subject and the most recent scholarship It concludes with a bibliographical checklist Appendixes include glossaries of terms and a listing of heads of state The book is fully indexed **The Sword of Justice** James A. Barry, 1998-10-28 Through an examination of the relationship between

ethics and international coercion The Sword of Justice compares the actual practice of the United States to the standards established by the just war framework Historical cases are considered from nuclear deterrence conventional war and humanitarian intervention to covert action economic sanctions and coercive diplomacy analyzed from the perspective of the just war tradition to provide practical tools to improve the moral content of policy decisions An enduring feature of the international system is the use or threat of force The most systematic critique of this practice is found in the just war tradition begun by Augustine and further elaborated by Aquinas This book explores the relationship between ethics and international coercion by presenting historical case studies in which the United States has taken such measures to achieve their goals and by comparing the actual practice of the United States to the standards established by the just war framework Based on the comparison a number of concrete recommendations are made about specific measures that could strengthen the moral content of policy decisions and at the same time meet tests of political feasibility in the American system of government **Merchants and Industrialists in Northern Honduras** Darío A. Euraque, 1990 **Faultlines**, 2000 Terrorism and internal security in India

Eisenhower And Latin America The Foreign Policy Of Anticommunism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Eisenhower And Latin America The Foreign Policy Of Anticommunism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Eisenhower And Latin America The Foreign Policy Of Anticommunism has opened up a world of possibilities. Downloading Eisenhower And Latin America The Foreign Policy Of Anticommunism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Eisenhower And Latin America The Foreign Policy Of Anticommunism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Eisenhower And Latin America The Foreign Policy Of Anticommunism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Eisenhower And Latin America The Foreign Policy Of Anticommunism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Eisenhower And Latin America The Foreign Policy Of Anticommunism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Eisenhower And Latin America The Foreign Policy Of Anticommunism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Eisenhower And Latin America The Foreign Policy Of Anticommunism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
