Humanitarian Fictions Megan Cole Paustian,2024-01-02 Humanitarianism has a narrative problem Far too often aid to Africa is envisioned through a tale of Western heroes saving African sufferers While labeling white savior narratives has become a familiar gesture it doesn t tell us much about the story as story Humanitarian Fictions aims to understand the workings of humanitarian literature as they

engage with and critique narratives of Africa Overlapping with but distinct from human rights humanitarianism centers on a relationship of assistance focusing less on rights than on needs less on legal frameworks than moral ones less on the problem than on the nonstate solution Tracing the white savior narrative back to religious missionaries of the nineteenth century Humanitarian Fictions reveals the influence of religious thought on seemingly secular institutions and uncovers a spiritual collectivist streak in the discourse of humanity Because the humanitarian model of care transcends the boundaries of the state and its networks touch much of the globe Humanitarian Fictions redraws the boundaries of literary classification based on a shared problem space rather than a shared national space The book maps a transnational vein of Anglophone literature about Africa that features missionaries humanitarians and their so called beneficiaries Putting humanitarian thought in conversation with postcolonial critique this book brings together African British and U S writers typically read within separate traditions Paustian shows how the novel with its profound sensitivity to narrative can enrich the critique of white saviorism while also imagining alternatives that give African agency its due *2002 Novel and Short Story Writer's Market* Anne Bowling,2001 This absolutely vital resource created specifically for fiction writers lists 2000 fiction publishers including many prestigious non paying markets not listed in *Writer s Market* *Children's Magazine Guide* ,2007 *What Do Children Read Next?* Candy Colborn,1994 Contains entries for approximately 2000 books aimed at young readers About half the titles were published between 1989 and 1994 and the remaining half are older titles which have stood the test of time
