Margaret Anderson Gwynne

Field Ethnography A Manual For Doing Cultural Anthropology:

Field Ethnography Paul Kutsche, 1998 For undergraduate level courses in Ethnographic Field Methods and Introduction to Cultural Anthropology Unlike other ethnographic field manuals which are either written for the graduate or professional levels or are narrowly restrictive in their methodological approach this manual focuses specifically on the needs of introductory level students It takes them by the hand and leads them step by step through the entire process through tasks that range from simple to complex and that invite students to use their own lives as tools to understand various categories of culture This task oriented and reflective approach makes this the first field manual to emphasize the investigative instrument the ethnographer as well as the cultural situations informants and techniques of analysis

Field Ethnography a Manual for Doing Cultural Anthropology, 2015 **Field Ethnography** Paul Kutsche, 1993 Field Ethnography Paul Kutsche, 2011 **Cultural Anthropology** Conrad Phillip Kottak, 2000 **The Manager's Guide to Competitive Marketing Strategies** Norton Paley, 2006 HOW TO MAKE YOUR BUSINESS MORE PROFITABLE AND SUCCESSFUL THROUGH MARKETING **A Critical Approach to Youth Culture** Pamela J. Erwin, 2010 The reality is youth culture and teenagers continue to change but you can stay connected and relevant by understanding culture and its power to influence and shape adolescents In this practical and insightful text you ll develop your own cohesive plan for evaluating cultural influences preparing for strategic ministry to teenagers that effectively addresses the youth cultural context **Design for Sport** Anxo Cereijo Roibás, Emmanuel Stamatakis, 2017-03-02 Design for Sport shows how socially responsible design can contribute to make sport practice widespread in the general population including disadvantaged and hard to reach groups and those that have been traditionally excluded such as the elderly disabled people those living in deprived areas and from lower socioeconomic strata plus certain minority ethnic and religious groups Contributions from around the world provide compelling case studies and an international perspective While the main benefit from expanding sports practice in developed societies would be reduction of chronic disease rates and social inclusion in the developing world where political instability and conflict are more common the authors look at how sport can have other functions such as a means of post disaster relief They discuss how Participatory Design PD techniques and appropriate ethnographies can be implemented in order to better understand users needs and requirements as in the case of Paralympic sport where the increased sophistication of equipment used has evolved to meet the demands of the athletes Reflecting the multi disciplinary and cross disciplinary nature of design for sport the book also features case studies that look at environmental design to improve sport accessibility social wellbeing economic development and environmental sustainability *African American Alternative Medicine* Eric J. Bailey, 2002-08-30 In order to examine the importance of alternative medicine to the African American population this book focuses on the African American health belief system and the treatment strategies often used and documented This book includes a cultural historical view of alternative medicine s use within the African American community and shows how it was an integral part of

African American culture The author highlights a number of studies that examine alternative and complementary therapies associated with specific diseases among African Americans Case studies are presented to show the types of alternative and complementary medicines used for specific diseases and to determine whether the alternative and complementary therapy was effective or not Moreover the cultural perceptions of the specific disease are presented to provide reasons why African Americans tend to use the particular alternative and complementary medical therapy for the disease The book serves as a resource guide for students healthcare professionals researchers policymakers and the general public A Handbook of Method in Cultural Anthropology Ronald Cohen,1970 *Encyclopedia of Anthropology* H. James Birx,2005-12-08 This five volume Encyclopedia of Anthropology is a unique collection of over 1 000 entries that focuses on topics in physical anthropology archaeology cultural anthropology linguistics and applied anthropology Also included are relevant articles on geology paleontology biology evolution sociology psychology philosophy and theology The contributions are authored by over 250 internationally renowned experts professors and scholars from some of the most distinguished museums universities and institutes in the world Special attention is given to human evolution primate behavior genetics ancient civilizations sociocultural theories and the value of human language for symbolic communication **Anthropology** Conrad Phillip Kottak,2000 *The Cultural Experience* David W. McCurdy,James P. Spradley,Dianna J. Shandy,2005 Students are taught how to set up an ethnographic field study choose a microculture and find and approach an informant as well as how to ask ethnographic questions record data and organize and analyze what they have learned Detailed instruction on how to write an ethnography is also provided The guidelines are followed by ten short but substantive well written student ethnographies on such microcultures as exotic dancing firefighting pest extermination and the work of midwives and police detectives Presents an expanded treatment of ethical responsibilities as well as a discussion of the significance of ethnographic research and its applications in the workplace From publisher description **Anthro Notes** ,1998 **The Other Side of Middletown** Luke E. Lassiter,2004 Prompted by the overt omission of Muncie s black community from the famous community study by Robert S Lynd and Helen Merrell Lynd Middletown A Study in Modern American Culture the authors initiated this project to reveal the unrecorded historical and contemporary life of Middletown a well known pseudonym for the Midwestern city of Muncie Indiana As a collaboration of community and campus this book recounts the early efforts of Hurley Goodall to develop a community history and archive that told the story of the African American community and rectify the representation of small town America as exclusively white The authors designed and implemented a collaborative ethnographic field project that involved intensive interviews research and writing between community organizations local experts ethnographers and teams of college students This book is a unique model for collaborative research easily accessible to students It will be a valuable resource for instructors in anthropology creative writing sociology community research and African American studies
