## **Fight A Christian Case For Non Violence:**

**Fight** Preston M. Sprinkle,2013 In a world of violence how can Christians live out Jesus command to love our enemies New York Times bestselling author Preston Sprinkle challenges us to consider a biblical response to violence

*Nonviolence* Preston M. Sprinkle,2021-04-01 In a unique narrative approach Sprinkle begins by looking at how the story of God as a whole portrays violence and war drawing conclusions that guide the reader through the rest of the book With urgency and precision he navigates hard questions and examines key approaches to violence driving every answer back to Scripture Ultimately Sprinkle challenges the church to walk in a manner worthy of our calling and shape our lives on the example of Christ Nonviolence The Revolutionary Way of Jesus is biblically rooted theologically coherent and prophetically challenging It is a defining work that will stir discussions for years to come The Nonviolent Messiah Simon J.

Joseph,2014-06-02 When scholars have set Jesus against various conceptions of the messiah and other redemptive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Missing from those discussions Simon J Joseph contends are the unique conceptions of an Adamic redeemer figure in the Enochic material conceptions that informed the Q tradition and he argues Jesus own self understanding *Dying to Religion and Empire* Jeremy Myers,2014-12-15 Can Christianity exist without religious rites or legal rights Are baptism and communion required for the church to exist What about the freedom of religion and the right to assemble Building on what he has written in other volumes of the Close Your Church for Good series Jeremy Myers argues that our traditions of baptism and the Lord s Supper and our dependence on the legal rights from the government have actually hindered the growth and development of the church *Dying to Religion and Empire* is a call to leave behind the comfortable religion we know and follow Jesus into the uncertain and wild ways of radical discipleship To rise and live in the reality of God s Kingdom we must first die to religion and empire This revised and updated book now includes discussion questions perfect for a small group setting Books in the Close Your Church for Good series Preface Skeleton Church Volume 1 The Death and Resurrection of the Church Volume 2 Put Service Back into the Church Service Volume 3 *Dying to Religion and Empire* Volume 4 Church is More than Bodies Bucks Bricks Volume 5 Cruciform Pastoral Leadership
