Harold Schechter

Fiend The Shocking True Story Of Americas Youngest Serial Killer:

Fiend Harold Schechter,2012-11-13 The unputdownable true crime story about a killer who preyed on children but was not much older than his victims When fourteen year old Jesse Pomeroy was arrested in 1874 Boston's nightmarish reign of terror came to an end Called the Boston Boy Fiend he was finally safely behind bars But questions remained about how and why a teenager could commit such heinous crimes Acclaimed true crime writer Harold Schechter brings his brilliant insight and fascinating historical documentation to this unforgettable exploration of one of America's youngest serial killers [The Devil's Gentleman](#) Harold Schechter,2008-09-30 From renowned true crime historian Harold Schechter whom The Boston Book Review hails as America's principal chronicler of its greatest psychopathic killers comes the riveting exploration of a notorious sensational New York City murder in the 1890s the fascinating forensic science of an earlier age and the explosively dramatic trial that became a tabloid sensation at the turn of the century Death was by poison and came in the mail A package of Bromo Seltzer had been anonymously sent to Harry Cornish the popular athletic director of Manhattan's elite Knickerbocker Athletic Club Cornish barely survived swallowing a small dose his cousin Mrs Katherine Adams died in agony after ingesting the toxic brew Scandal sheets owned by Hearst and Pulitzer eagerly jumped on this story of fatal high society intrigue speculating that the devious killer was a chemist a woman or an effeminate man Forensic studies suggested cyanide as the cause of death handwriting on the deadly package and the vestige of a label glued to the bottle pointed to a handsome athletic society scamp Roland Molineux The wayward son of a revered Civil War general Molineux had clashed bitterly with Cornish before He had even furiously denounced Cornish when penning his resignation from the Knickerbocker Club a letter that later proved a major clue Bon vivant Molineux had recently wed the sensuous Blanche Chesebrough an opera singer whose former lover Henry Barnet had also recently died after taking medicine sent to him through the mail Molineux's subsequent indictment for murder led to two explosive trials a sex infused scandal that shocked the nation and a lurid print media circus that ended in madness and a proud family's disgrace In bold brilliant strokes Schechter captures all the colors of the tumultuous legal case gathering his own evidence and tackling subjects no one dared address at the time all in hopes of answering the tantalizing question What powerfully dark motives could drive the wealthy scion of an eminent New York family to foul murder Schechter vividly portrays the case's fascinating cast of characters including Julian Hawthorne son of Nathaniel Hawthorne a prolific yellow journalist who covered the story and proud General Edward Leslie Molineux whose son's ignoble deeds besmirched a dignified national hero's final years All the while Schechter brings alive Manhattan's Gilded Age a gaslit world of elegant town houses and hidden bordellos chic restaurants and shabby opium dens a city peopled by men and women fighting and losing the battle against urges an upright era had ordered suppressed Superbly researched and powerfully written The Devil's Gentleman is an insightful gripping work a true crime historian's crowning achievement **The Whole Death Catalog** Harold Schechter,2009-06-02 In the tradition of Mary Roach's

bestselling *Stiff* and Jessica Mitford's classic exposé *The American Way of Death* comes this meticulously researched refreshingly irreverent and lavishly illustrated look at death from acclaimed author Harold Schechter. With his trademark fearlessness and bracing sense of humor, Schechter digs deep into a wealth of sources to unearth a treasure trove of surprising facts, amusing anecdotes, practical information, and timeless wisdom about that undiscovered country to which we will all one day travel. Topics include: Death anxiety: is your fear of death normal or off the scale? You can't take it with you, or can you? Wacky wills and bizarre bequests. The hospice experience: going out in comfort and style. Deathbed and funeral etiquette: how to help the dying and mourn the dead with dignity. Death on demand: why the right to die movement may be the next big thing. Goodbye everybody: famous last words. The embalmer's art: all dressed up and nowhere to go. Behind the scenes at your local funeral home. Alternative burial choices: from coral reefs to outer space. From the cold, hard facts of death to lessons in the art of dying well, from what happens in the body's last living moments to what transpires in the ground or in the furnace, from near-death experiences to speculation on the afterlife, *The Whole Death Catalog* leaves no gravestone unturned.

Killer Colt Harold Schechter, 2010-09-28

With such acclaimed works as *The Devil's Gentleman*, Harold Schechter has earned renown as the dean of true crime historians. Now in this gripping account of driving ambition, doomed love, and brutal murder in an iconic American family, Schechter again casts his gaze into the sinister shadows of gaslit nineteenth-century New York City. In September 1841, a grisly discovery is made aboard a merchant ship docked in lower Manhattan: Deep in the cargo hold, bound with rope and covered with savage head wounds, lies a man's naked corpse. While a murderer has taken pains to conceal his victim's identity, it takes little time to determine that the dead man is Samuel Adams, proprietor of a local printing firm. And in less time still, witnesses and a bloody trail of clues lead investigators to the doorstep of the enigmatic John Colt. The scion of a prosperous Connecticut family, Colt has defied his parents' efforts to mold him into a gentleman, preferring to flout authority and pursue excitement. Ironically, it is the ordered science of accountancy that for a time lends him respectability. But now John Colt's ghastly crime and the subsequent sensational murder trial bring infamy to his surname, even after it becomes synonymous with his visionary younger brother's groundbreaking invention. The embodiment of American success, Sam Colt has risen from poor huckster to industrious inventor. His greatest achievement, the revolver, will bring him untold millions, even as it transforms the American West. In John's hour of need, Sam rushes to his brother's side, perhaps because of the secret they share. In *Gilded Age* New York, a city awash with treacherous schemers, lurid dime museum curiosities, and the tawdry excesses of penny press journalism, the Colt-Adams affair inspires tabloid headlines of startling and gruesome hyperbole, which in turn drive legions of thrill seekers to John Colt's trial. The dramatic legal proceedings will fire the imagination of pioneering crime writer Edgar Allan Poe and fuel the righteous outrage of journalist Walt Whitman. *Killer Colt* interweaves the intriguing stories of brooding brilliant John and imaginative enterprising Sam, sharp-witted and fascinating brothers on vastly divergent journeys, bound by an abiding mutual devotion and a mystery.

they will conceal to the end Harold Schechter has mined the darkly macabre vein of a bygone era and brought forth a mother lode of storytelling gold From the Hardcover edition *Psycho USA* Harold Schechter,2012-08-07 AMERICA S MOST COLD BLOODED In the horrifying annals of American crime the infamous names of brutal killers such as Bundy Dahmer Gacy and Berkowitz are writ large in the imaginations of a public both horrified and hypnotized by their monstrous murderous acts But for every celebrity psychopath who s gotten ink for spilling blood there s a bevy of all but forgotten homicidal fiends studding the bloody margins of U S history The law gave them their just desserts but now the hugely acclaimed author of *The Serial Killer Files* and *The Whole Death Catalog* gives them their dark due in this absolutely riveting true crime treasury Among America s most cold blooded you ll meet Robert Irwin The Mad Sculptor He longed to use his carving skills on the woman he loved but had to settle for making short work of her mother and sister instead Peter Robinson The Tell Tale Heart Killer It took two days and four tries for him to finish off his victim but no time at all for keen eyed cops to spot the fatal flaw in his floor plan Anton Probst The Monster in the Shape of a Man The ax murdering immigrant s systematic slaughter of all eight members of a Pennsylvania farm family matched the savagery of the Manson murders a century later Edward H Ruloff The Man of Two Lives A genuine Jekyll and Hyde his brilliant scholarship disguised his bloodthirsty brutality and his oversized brain gave new meaning to mastermind Spurred by profit passion paranoia or perverse pleasure these killers the Witch of Staten Island the Smutty Nose Butcher the Bluebeard of Quiet Dell and many others span three centuries and a host of harrowing murder methods Dramatized in the pages of penny dreadfuls sensationalized in tabloid headlines and immortalized in murder ballads and classic fiction by Edgar Allan Poe and Theodore Dreiser the demonic denizens of *Psycho USA* may be long gone to the gallows but this insidiously irresistible slice of gothic Americana will ensure that they ll no longer be forgotten *The Mad Sculptor* Harold Schechter,2014 A riveting account of a gruesome triple homicide at Beekman Place in Depression Era New York with an intriguing cast of characters including the brilliant but mentally disturbed sculptor Robert Irwin *The Real Story* Sarah Statz Cords,Robert Burgin,2006-03-30 Here is your road map to the vast and previously uncharted terrain of recreational nonfiction After defining the genre and discussing it s unique characteristics and appeals the author describes more than 500 popular nonfiction titles and organizes them according to genre Everything from true adventure true crime and travel narratives to investigative nonfiction environmental writing and life stories Genres are subdivided into subgenres and popular themes such as micro histories deep science and humorous memoirs Focus is on the best titles published within the last decade with key classics and benchmark titles also cited For each title you ll find a short list of nonfiction read alike and fiction read alike are listed for each genre *The Rise of True Crime* Jean Murley,2008-08-30 During the 1950s and 1960s True Detective magazine developed a new way of narrating and understanding murder It was more sensitive to context gave more psychologically sophisticated accounts and was more willing to make conjectures about the unknown thoughts and motivations of killers than others had been before This turned

out to be the start of a revolution and after a century of escalating accounts we have now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers The Rise of True Crime examines the various genres of true crime using the most popular and well known examples And despite its examination of some of the potentially negative effects of the genre it is written for people who read and enjoy true crime and wish to learn more about it With skyrocketing crime rates and the appearance of a frightening trend toward social chaos in the 1970s books documentaries and fiction films in the true crime genre tried to make sense of the Charles Manson crimes and the Gary Gilmore execution events And in the 1980s and 1990s true crime taught pop culture consumers about forensics profiling and highly technical aspects of criminology We have thus now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers Through the suggestion that certain kinds of killers are monstrous or outside the realm of human morality and through the perpetuation of the stranger danger idea the true crime aesthetic has both responded to and fostered our culture s fears True crime is also the site of a dramatic confrontation with the concept of evil and one of the few places in American public discourse where moral terms are used without any irony and notions and definitions of evil are presented without ambiguity When seen within its historical context true crime emerges as a vibrant and meaningful strand of popular culture one that is unfortunately devalued as lurid and meaningless pulp

Stone Cold Souls Gregory K. Moffatt, 2008-07-30 History s most notorious and brutal killers still enjoy fame as public fascination with their lives and their crimes continues to grow Stone Cold Souls is a detailed examination of the most brutal killers in history Moffatt does what he does best by looking at historical accounts of events analyzing them from a psychological perspective and presenting his assessment in captivating fashion He examines different types of killers offers case studies and historical context and describes what sets these cases apart from other kinds of killings Even in a day and age where pop culture has made serial crime a mainstay of movies and books the depravity of the killers profiled in this work will still shock even a desensitized reader Men women and children alike have committed crimes so atrocious that it is hard to imagine that these events are not works of fiction Moffatt examines the difficult questions that inevitably arise when one reads cases of unthinkable torture and cruelty Why Were these people simply evil or is it possible that given other circumstances they could have redirected their energies into more productive outlets The author answers these questions and others and reveals the lives and crimes of these ruthless killers Stone Cold Souls features such well known cases as Andrei Chikatilo Marc Dutroux Herman Webster Mudgett Charles Ng Leonard Lake Lawrence Bittaker Roy Norris Ed Gein Edmund Kemper Henry Lee Lucas Gilles de Rais Ivan the Terrible Richard Ramirez Holly Ann Harvey Sandy Ketchum Mary Bell Jesse Pomeroy Josef Mengele Marshall Applewhite Jeffrey Lundgren David Koresh Jim Jones Father Oliver O Grady Charles Cullin Harold Shipman Michael Swango Myra Hindley Karla Homolka Aileen Carol Lee Wuornos Elizabeth Bathory Charles Sobhraj Albert Fish Donald Harvey and Dennis Rader

The Remarkable Life

of John Murray Spear John Benedict Buescher, 2006 John Murray Spear was one of nineteenth century America's most interesting characters. A leading social agitator against slavery and capital punishment, Spear also became the nation's most flamboyant spiritualist, inventor of spirit machines and advocate of free love. In his captivating biography, John Buescher brings to life Spear's superlatively odd story. Born in 1804, John Murray Spear began his career as a Universalist minister. Later, he was a colleague of William Lloyd Garrison and Theodore Parker in the abolitionist movement and worked as an activist among the New England reformers and Transcendentalists such as Bronson Alcott, Lydia Maria Child, and Dorothea Dix. In mid-life, Spear turned to the new revelation of spiritualism and came under the thrall of what he believed were spirit messages. Spear's spirits dictated that he and a small group of associates embark on plans for a perpetual motion machine, an electric ship propelled by psychic batteries, a vehicle that would levitate in the air, and a sewing machine that would work with no hands. Human liberation, sexual, and otherwise, were far stranger than anyone outside his closest associates imagined, and were aimed at the eventual manufacturing of human beings and the improvement of the race. In the last years of his life, retired by the spirits and regarded by fellow Gilded Age progressives as a visitor from another age, if not another planet, Spear helped organize support for anarchist, socialist, peace, and labor causes. Spear's life, an odd mixture of comic absurdity and serious foreshadowing of the future, provides us with a unique perspective on nineteenth century American religious and social life.

Kansas Charley Joan Jacobs Brumberg, 2003 Most Americans regard kids who kill as a problem unique to our era. But in historian Brumberg's important new work, she reminds readers that it is tragically a long-standing dilemma.

Writings on New England History, 2003 **The Boston Globe Index**, 2001 **Symposium**, 2009 *Book Review Index*, 2003 Vols 8-10 of the 1965-1984 master cumulation constitute a title index *The Publishers Weekly*, 2000 The British National Bibliography Arthur James Wells, 2002 *Deranged* Harold Schechter, 2009-11-24 LURED FROM THE SAFETY OF HOME INTO THE JAWS OF HELL America's principal chronicler of its greatest psychopathic killers. The Boston Book Review Harold Schechter shatters the myth that violent crime is a modern phenomenon with this seamless true account of unvarnished horror from the early twentieth century. Journey inside the demented mind of Albert Fish, pedophile, sadist, and cannibal killer, and discover that bloodlust knows no time or place. On a warm spring day in 1928, a kindly white-haired man appeared at the Budd family home in New York City and soon persuaded Mr. and Mrs. Budd to let him take their adorable little girl Grace on an outing. The Budds never guessed that they had entrusted their child to a monster. After a relentless six-year search and nationwide press coverage, the mystery of Grace Budd's disappearance was solved, and a crime of unparalleled gore and revulsion was revealed to a stunned American public. What Albert Fish did to Grace Budd and perhaps fifteen other young children caused experts to pronounce him the most deranged human being they had ever seen.

Fiend The Shocking True Story Of Americas Youngest Serial Killer Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Fiend The Shocking True Story Of Americas Youngest Serial Killer free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Fiend The Shocking True Story Of Americas Youngest Serial Killer free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Fiend The Shocking True Story Of Americas Youngest Serial Killer free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Fiend The Shocking True Story Of Americas Youngest Serial Killer. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article,

such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Fiend The Shocking True Story Of Americas Youngest Serial Killer any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Fiend The Shocking True Story Of Americas Youngest Serial Killer Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
