Wisdom's Harvest East of Smallville Joseph Lange, 2018-03-09 *Wisdom's Harvest East of Smallville* is a series of short stories from my life growing up in a family of ten children and a single mother A continuation of *Thoughts from a Treestand* it tells of things learned from living life in a small central Wisconsin hamlet We had very little but we did have love and that made all the difference in my life

The magnificent Prayer of Praises and Thanks-giving and Worship Enoch O. Akanji, 2011-02-25 Prayer and Praises are significant part of Christianity and in Christendom since the very beginning of time on the subject of relationship with God Take the spiritual vitamin because

when life gets rough the rough gets life but when you pray and praise you will overcome and overtake whatever comes your way The mountain can be moved with prayer and praises by faith in the Lord In this world you will have trouble But take heart Jesus had overcome the world He has done His part do your part by serving praying and praising the Lord God Almighty He hears us when we pray and praise He knows us inside out and outside in This book will help you very greatly in your relationship with God through our Lord and Savior Jesus Christ **Organic Mentoring** Sue Edwards, Barbara Neumann, 2014-06-01 We are experiencing a mentoring crisis today One key reason is that too many women cling to an outdated formulaic idea of what mentoring is all about When we hear the word mentoring we conjure up a picture that fit our experience decades ago Then we look in the mirror and don't see an adequate mentor staring back at us Our preconceived ideas about what today's young women want in a mentor convince us we are not qualified to be mentors but we are wrong What we don't realize is that younger women today are far more likely to want a relationship with that woman in the mirror than the conjured up perfect mentor in our head Organic Mentoring explores foundational issues that explain why beloved but outdated mentoring methods are no longer effective The book looks at the cultural changes and fast paced digital advancements that shape young thought and behavior but weaken the link between generations It walks through the new values preferences ideas and problems of the next generation and how these issues impact mentoring Then the authors guide the reader through landmines to avoid and approaches that work today Finding Peace in Times of Tragedy Christy Monson, 2019-04-01 Finding peace in times of worldwide trauma is difficult and finding peace in times of personal trauma such as a family death or tragedy can be overwhelming Therapist Christy Monson professionally and compassionately describes how tragedy physically changes the brain and the body and she provides powerful techniques to help heal those invisible wounds and cope with the turmoil of our day Chapters are interspersed with moving first hand accounts that span the range of human tragedy including those from A 9 11 survivor Parents who had two children die of brain tumors A mother whose son lost a leg in a road side bomb in Afghanistan A young adult whose father committed suicide And a rape survivor Through detailed research years of experience and detailed interviews with survivors Monson shows that there is hope for not just peace but also joy after tragedy **Ask, Listen, Empower** Mary Davis Fournier, Ostman Sarah, 2021-01-08 Foreword by Tracie D Hall Community engagement isn't simply an important component of a successful library it's the foundation upon which every service offering and initiative rests Working collaboratively with community members be they library customers residents faculty students or partner organizations ensures that the library works period This important resource from ALA's Public Programs Office PPO provides targeted guidance on how libraries can effectively engage with the public to address a range of issues for the betterment of their community whether it is a city neighborhood campus or something else Featuring contributions by leaders active in library led community engagement it's designed to be equally useful as a teaching text for LIS students and a go to handbook for current programming adult services and outreach library
