The Section: Webster's Timeline History 1971 - 1974 , Montgomery Modern: Modern Architecture in Montgomery County, Maryland, 1930-1979 Clare Lise Kelly, 2015 An illustrated reference guide to the history of modern architecture in Montgomery County Maryland from 1930 to 1979 with an inventory of key buildings and communities and biographical sketches of practitioners including architects landscape architects planners and developers **The Modern West** Emily Ballew Neff, Barry Holstun Lopez, 2006-01-01 A fascinating and novel exploration of the transformative role played by the American West in the development of modernism in the United States Drawing extensively from various disciplines including ethnology geography geology and environmental studies this groundbreaking book addresses shifting concepts of time history and landscape in relation to the work of pioneering American artists during the first half of the 20th century Paintings watercolors and photographs by renowned artists such as Frederic Remington Georgia O'Keeffe Ansel

Adams Thomas Hart Benton Dorothea Lange and Jackson Pollock are considered alongside American Indian ledger drawings tempuras and Dineh sandpaintings Taken together these works document the quest to create a specifically American art in the decades prior to World War II The Modern West begins with a captivating meditation on the relationship between human culture and the physical landscape by Barry Lopez who traveled the West in the artists footsteps Emily Ballew Neff then describes the evolving importance of the West for American artists working out a radically new aesthetic response to space and place from artist explorers on the turn of the century frontier to visionaries of a Californian arcadia to desert luminaries who found in its stark topography a natural equivalent to abstraction Beautifully illustrated and handsomely designed this book is essential to anyone interested in the West and the history of modernism in American art *The Seuss, the Whole Seuss and Nothing But the Seuss* Charles Cohen,2004-02-24 Theodor Seuss Geisel creator of Horton the Elephant the Grinch the Cat in the Hat and a madcap menagerie of the best loved children s characters of all time stands alone as the preeminent figure of children s literature But Geisel was a private man who was happier at the drawing table than he was across from any reporter or would be biographer Under the thoughtful scrutiny of Charles D Cohen Geisel s lesser known works yield valuable insights into the imaginative and creative processes of one of the 20th century s most original thinkers

Multiracial America Karen E. Downing,Darlene P. Nichols,Kelly Webster,2005 Multiracial America addresses a growing interest in interracial people and relationships in America Over the past decade there have been numerous books and articles written on interracial issues Despite the rampant growth in publishing locating these often scattered and inaccessible materials remains a challenge This resource guide provides easy access to the available literature Topical chapters on the most often researched themes are included such as core historical literature books for children and young adults hot button issues passing identification appearance fitting in and blood quantification interracial dating and marriage families adoption and issues pertaining to race and queer sexuality Each chapter includes a brief discussion of the literature on the topic including historical context and comments on the breadth and depth of the available literature and followed by annotations of books popular and scholarly journals magazines and newspaper articles videos films and websites Other useful sections include a chapter on the depiction of interracial relationships in film teaching an interracial issues course and how to search for materials given changing terminology and classification issues Indexes by race and non print media are included **9/11**

and American Empire, Volume 1 David Ray Griffin,Peter Dale Scott,Kevin Barrett,John B. Cobb,Sandra B. Lubarsky,2007 Were the military and the FAA really that incompetent Were our intelligence gathering agencies really in the dark about 9 11 How could so much go wrong at once in the world s strongest and most technologically sophisticated country Both the government and the mainstream media have tried to portray the 9 11 truth movement as led by people who can be dismissed as conspiracy theorists This volume shows this caricature to be untrue Coming from different academic disciplines as well as from different parts of the world the authors are united In the conviction that the official story about 9 11 is a huge deception
