Divine Sex A Compelling Vision For Christian Relationships In A Hypersexualized Age:

Divine Sex, 2015 **Marriage in the Middle** Dorothy Littell Greco, 2020-09-15 Midlife is a season of challenge and change professionally relationally physically and spiritually But midlife doesn't have to be synonymous with crisis within our marriages With vulnerability and insight this book will inspire and encourage you to invest in your relationship with your spouse enabling you both to thrive as you face this era together The Meaning of Singleness Danielle Treweek, 2023-05-09 Drawing upon ancient and contemporary theologians Dani Treweek offers biblical historical cultural and theological reflections to retrieve a theology of singleness for the church today Far from being a burden she shows that singleness presents the church with a foretaste of the eschatological reality that awaits all of God's people *Non-Toxic Masculinity* Zachary Wagner, 2023-04-04 Boys will be boys and purity culture sell the same excuses with a different spin Can we break the toxic cycle and recover a healthy identity for men Confronting harmful teaching from the American church that has distorted desire sex relationships and responsibility Zachary Wagner offers a renewed vision for Christian male sexuality

Home Together Thomas Bergen, 2020-08-13 Emerging adults today feel homeless and alone How can the church share the good news of a God who offers home and togetherness Home Together gives a compelling account of a Christian student residence that has shared this good news by engaging emerging adults in a community of discipleship and belonging For over thirty years the Menno Simons Centre in Vancouver British Columbia has supported university students and helped them to grow together in their faith Using the metaphor of home to describe this community Thomas Bergen outlines a practical theology of ministry among emerging adults as a shared home construction project He explores six aspects of the Menno Simons Centre as home spiritual supportive sabbatical safe spurring and sending combining theological reflection cultural analysis personal testimonies and practical wisdom Set against the backdrop of postmodern challenges Home Together offers an inspiring model of ministry among university students that might well be adapted for other contexts

Marriage, Family and Relationships Thomas A. Noble, Sarah K. Whittle, Philip S. Johnston, 2017-06-15 Family life has undergone revolutionary changes in Western society in the last sixty years posing both theological and ethical challenges for the contemporary church This book responds with wide ranging essays on sexuality marriage family life singleness same sex relationships violence against women anthropology gender and culture These chapters are essential reading for anyone concerned with Christian teaching on marriage and the family They balance a clear loyalty to the church's historic and biblical teaching with a recognition that all doctrine is contextualized There is a growing gap between the ethics of many Christians and those of wider society So Christians have to be counter cultural But the church also has to be self critical differentiating between biblical revelation and cultural development And it must know how to present unchanging Christian convictions to a constantly changing society The contributors are Andy Angel Daniel Block Rosalind Clarke Barry Danylak Andrew Goddard Stephen Holmes David Instone Brewer A T B McGowan Nicholas Moore Onesimus Ngundu Oliver O

Donovan Ian Paul Andrew Sloane Katy Smith Elaine Storkey and Sarah Whittle *Aquinas's Eschatological Ethics and the Virtue of Temperance* Matthew Levering, 2019-11-15 Matthew Levering offers a biblical and Thomistic portrait of the cardinal virtue of temperance and its allied virtues in dialogue with an ecumenical range of theologians and scholars In *Aquinas's Eschatological Ethics and the Virtue of Temperance* Levering argues that Catholic ethics make sense only in light of the biblical worldview that Jesus has inaugurated the kingdom of God by pouring out his spirit Jesus has made it possible for us to know and obey God's law for human flourishing as individuals and communities He has reoriented our lives toward the goal of beatific communion with him in charity which affects the exercise of the moral virtues that pertain to human flourishing Without the context of the inaugurated kingdom Catholic ethics as traditionally conceived will seem like an effort to find a middle ground between legalistic rigorism and relativistic laxism which is especially the case with the virtue of temperance the focus of Levering's book After an opening chapter on the eschatological biblical character of Catholic ethics the ensuing chapters engage Aquinas's theology of temperance in the *Summa theologiae* which identifies and examines a number of virtues associated with temperance Levering demonstrates that the theology of temperance is profoundly biblical and that Aquinas's theology of temperance relies for its intelligibility upon Christ's inauguration of the kingdom of God as the graced fulfillment of our created nature The book develops new vistas for scholars and students interested in moral theology

Living More Human(e)ly? Rebecca Leong, 2025-04-22 Does it really matter who one chooses to marry and how one makes a choice as to who to marry or is it basically true that you always marry the wrong person Was Jane Austen right in her portrayals of couples marrying for love for comfort or for both What about arranged marriages Does the one exist How about soulmates Will getting involved in casual sex or hook up culture affect one's chances of eventually realizing happy lifelong monogamy Are promoters of purity culture basically right that their approach will help lead to happy lasting marriages Can there be a way forward through the culture wars Are dating apps any good Virtue ethics is sometimes drawn upon for a dependable approach to couple relationships But what does this approach consist of and which virtues as there are potentially very many should one focus on particularly when navigating dating culture in contemporary contexts What light might theology history and the human sciences including sociology and psychology shed on these matters Rebecca Leong offers findings from wide ranging interdisciplinary studies that address these questions and more in the process developing a five fold ethic and further building blocks for better approaches to dating in contemporary contexts *Divine Sex* Philo Thelos, 2003 This modern re examination of the Bible's references to sex strips away illegitimate religious tradition to reveal that God views sexual pleasure as a blessing to humanity [Sex, Dating, and Relationships](#) Gerald Hiestand, Jay S. Thomas, 2012-02-29 Considering the pervasive immorality and high divorce rate of our contemporary Christian culture we evidently need a biblically based theologically compelling practical understanding of sex dating and relationships Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm shifting view of purity and relationships a view

that challenges even the basic assumptions of evangelical subculture Unlike most books on dating this one cuts straight to the heart of dating relationships asserting with confidence that the line must be drawn at no sexual activity whatever Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree but Heistand and Thomas have done it Furthermore both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner Sex Dating and Relationships adds a new almost provocative voice to the conversation that with straightforward theological insight pleads with Christians to get serious about honoring Christ with their sexuality

Making Love to God Tina Louise Spalding, 2013-10-01 Because you do not accept what you are an immortal being having a creative experience with body you cannot find that which you seek so desperately Your misteachings about sexuality and God keep you from integrating sexual energies with God energies in any meaningful way and so the path to heaven on earth through blissful sexual union eludes you to a great extent The sexual energies of the ego are leading you to a dark and dangerous precipice and we wish to call you back back to love and the loving kind fulfilling and glorifying expressions of spiritual love your true salvation We are here to teach the way to divine bliss and we know you are scared scared to lie naked caressing your lover with rapt attention and honor We know you are scared to kiss and kiss and connect to feel such deep connection and pleasure that the ego starts to get very nervous sensing the threat to the well guarded and limited access to your heart that it deems to be safe We have never seen more hurt and lonely people anywhere than on this planet at the moment You are all in such a state that we have come from far and wide from different times and places to teach you how to relieve the deep suffering you are in And indeed it is in the bedroom in your relationship to yourself your lover and God that these hurts began You cannot lead a passionless day and have a passion filled night it will not happen Give love all day and you will be guaranteed to receive love all night The divine sexual experience connects you God and your lover if you have one together in a divine dance of bliss Ananda through Tina Louise Spalding

Our Bodies Tell God's Story Christopher West,2020-01-21 In response to a world awash in sexual chaos and gender confusion this book offers a bold and thoroughly biblical look at the meaning of the body sex gender and marriage Bestselling author cultural commentator and popular theologian Christopher West is one of the world s most recognized teachers of John Paul II s Theology of the Body He specializes in making this teaching accessible to all Christians with particular attention to evangelicals As West explains from beginning to end the Bible tells a story of marriage It begins with the marriage of man and woman in an earthly paradise and ends with the marriage of Christ and the church in an eternal paradise In our post sexual revolution world we need to remember that our bodies tell a divine story and proclaim the gospel itself As male and female and in the call to become one flesh our bodies reveal a great mystery that mirrors Christ s love for the church Eph 5 31 32 This book provides a redemptive rather than repressive approach to sexual purity explores the true meaning of sex and marriage and offers a compelling vision of what it means to be created male and female

Foreword by Eric Metaxas *Sex, Purity, and the Longings of a Girl's Heart* Kristen Clark,Bethany Beal,2019-04-30 For the modern Christian woman living in today s sexually charged society embracing God s design for sex and purity can often feel like an impossible pursuit As the culture seeks to normalize things such as pornography erotica and casual sex both single and married women of all ages feel immense pressure to conform With alluring temptations constantly inviting them to join in they might even begin to question whether God s design is truly good They wrestle with questions like What is the purpose of my sexuality What does it mean to pursue purity Are my sexual longings good or bad In this encouraging book Kristen Clark and Bethany Beal share honestly about their own struggles and victories and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality Kristen and Bethany help women understand why God s design for sexuality is good relevant and leads to true hope and lasting freedom

Tainted Love David Mark Brown,2002-01-01 Brown takes readers along a perilous trek through spoiled relationships perverted perceptions and frustrating debates about whether Jesus would date and court the opposite sex

[A Better Story](#) Glynn Harrison,2017-01-19 The architects of the sexual revolution won over the popular imagination because they knew the power of story They drew together radical new ideologies often complex and hard to grasp and melded them into the simpler structure of narrative Crucially they cast narratives that appealed to the moral instincts of ordinary decent people This moral vision overwhelmed the church and silenced its faltering apologists The author argues that if Christians still believe they have have good news in the sphere of sexual ethics then two big tasks lie ahead Our first priority is to work out what has gone so badly wrong both in our understanding and application of what the Bible teaches and the way we have presented our case to the non churched And

then we must offer a better story one that fires the imagination with such force that people will say I want that to be true

This book offers a confident biblically rooted moral vision which needs to be shared with prayer and courage **Holy**

Sexuality and the Gospel Christopher Yuan,2018-11-20 From the author of Out of a Far Country which details his dramatic conversion from an agnostic gay man who put his identity in his sexuality to a Bible professor who now puts his identity in Christ alone comes a gospel centered discussion of sex desire and relationships Dr Christopher Yuan explores the concept of holy sexuality chastity in singleness or faithfulness in marriage in a practical and relevant manner equipping readers with an accessible yet robust theology of sexuality Whether you want to share Christ with a loved one who identifies as gay or you re wrestling with questions of identity yourself this book will help you better understand sexuality in light of God s grand story and realize that holy sexuality is actually good news for all Fill These Hearts Christopher West,2013-01-08 The

bestselling author speaker and teacher of John Paul II s Theology of the Body explores the yearning we all have for God and each other Fill These Hearts is a book about desire Not trivial wants or superficial cravings but the most vital powers of body and soul sexuality and spirituality that haunt us and compel us on our search for something Weaving life altering lessons together from classical and contemporary art pop music movies and the Christian mystical tradition popular theologian Christopher West explores the ancient but largely forgotten idea that the restless erotic yearnings we feel in both our bodies and our spirits reveal the cry of our hearts for God Along the way West blows the lid off the idea of Christianity as a repressive anti sex religion by demonstrating that Christ came to stretch and inflame our desire for love and union to the point of infinity *A Christian Guide to Liberating Desire, Sex, Partnership, Work, and Reproduction* Thia

Cooper,2017-11-16 What is good sex from the perspective of liberation theology Thia Cooper argues that sex can be a way to know God God created humans with a desire to be in relation with each other From this understanding sexual desire sex and partnerships are re imagined positively Good sex is enjoyable and mutual an aspect of communion Good sexual relationships share power empower the participants and the wider community From the perspective of liberation theologies and an analysis of biblical texts the Christian tradition and the reality of our sexual experience this book reframes theologies of partnership sex work and reproduction through the celebration of desire and sex Sexy Christians Dr. Ted Roberts,Diane

Roberts,2010-03-01 Sexy Christians The phrase sounds like an oxymoron but God never intended it to be Sexual fulfillment is in fact God s idea Yet many Christians seem to think the more spiritual they are the less sexual they will be and the more sexual they are the less spiritual they will be Dr Ted and Diane Roberts want to turn this thinking on its head Readers will learn why men and women see sex differently what the greatest aphrodisiac is and how to avoid the most lethal killer to a great sex life The authors also explore what men s and women s sexual needs are and why they are so different what sex is all about from God s perspective and what the differences are between male and female sexual response cycles End of chapter questions encourage couples to apply the book s principles at home Readers and groups can go a step further with
