**Does Jesus Know Us?** Hans Urs Von Balthasar, 2011-11-14 Only one who is convinced that he knows Jesus as a person and that Jesus has personal knowledge of him has truly entered into his Christian faith Balthasar sets forth and explains the Scriptural evidence for our ability to know the Lord

**God Sent His Son** Cardinal Christoph Schönborn, Christoph von Schönborn, 2010-01-01 In this work of Christology Christoph Cardinal Schönborn a world renowned theologian takes as his starting point the Apostle Paul's statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4 4 5 Based on many years of lecturing on Christology Cardinal Schönborn's work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church's understanding of this truth to the consideration of contemporary issues and the views of various modern theologians Cardinal Schönborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval questions but also modern issues of Christology

*Women in Christ* Michele M. Schumacher, 2004 The challenge of promoting the new feminism has barely been addressed since it was first launched by Pope John Paul II in his 1995 encyclical *Evangelium vitae* The thirteen contributors in this book all outstanding international scholars take up this task together laying the necessary theoretical foundation for the new feminism These chapters articulate an integral philosophical and theological understanding of persons that moves beyond patriarchy on the one hand and traditional feminism on the other Central to the new perspective offered here is the biblical revelation of the human person man and woman in Christ a vision that directs women beyond the male standard against which they have too often been measured Far from constraining women to an eternal essence the dynamic view presented here encourages each woman to realize herself in perfect Christian freedom

Death as Transformation Dr Henry L Novello, 2013-06-28 A key tenet of Christian faith is that the crucifixion of Jesus Christ is a unique death by which the powers of death in the world have been conquered so that Christian life in the Spirit is marked by the promise and hope of new life already anticipated in the community of baptized believers Notwithstanding this basic tenet regarding the Christian life as a participation in the redemptive death of Jesus Christ theology in the past as well as much contemporary theology tends to assign no salvific significance to the event of our own death focusing instead on death in negative terms as the wages of sin This work is a significant retort to theological neglect both Catholic and Protestant of the positive and transformative aspect of our death when conceived as a dying into the redemptive death of Jesus Christ The development of Henry L Novello's proposed

theology of death takes place in conversation with the pre eminent contemporary contributors to this field of theological inquiry By offering comprehensive critiques of Karl Rahner Hans Urs von Balthasar Karl Barth Eberhard J ngel and J rgen Moltmann Novello painstakingly pieces together a positive construal of death as salvific and transformative What is especially distinctive about Novello s work is that he develops the idea of death as a sharing in the admirable exchange of natures in the person of Jesus Christ from which emerges his theory of resurrection at death for all The reach of the work is extended by exploring some pastoral and liturgical implications of a theology of death conceived as the privileged moment for the actualization of God s grace in Jesus Christ and thus being created anew in the power of the Spirit

**Here?** Brian Grogan,2012 If you ve ever felt challenged as a Christian to say what you believe about life after death you will find intelligent proposals here Fr Grogan s deep knowledge of the current scholarship on subjects like judgment heaven hell and purgatory is matched by his skill at clearly presenting insights through stories and examples This book begins with the idea that every inhabitant of this planet contributes to the shaping of God s project the life of the world to come and it emphasizes that the relationships between God and ourselves endure eternally Rooting everything in this sense of ongoing relationship Grogan poses and responds to questions such as Could hell be empty Can knowledge of the future transform the present What will it be like to be fully alive What will we do in heaven He also makes a clear call to engage with God now in transforming our present relationships so that everyone may become more truly fully alive This is the Christian gift to the world The next time anyone asks me about heaven hell purgatory limbo or anything related to what awaits us after our earthly lives have ended I will recommend this excellent new book Father Grogan s approach is wise without being preachy scholarly without being overly academic and hopeful without being naive He covers almost any question that a Christian might have about the last things and does so by taking those concerns seriously answering them carefully and grounding them in Scripture and tradition Highly recommended James Martin SJ author of *The Jesuit Guide to Almost Everything* Eternal paradise eternal torment is there more to the Christian afterlife than these concepts Father Brian Grogan discusses questions surrounding the afterlife exploring many ideas that aren t normally presented surrounding the ideas of fate our lives and what ultimately lies ahead of us as human beings *Where to From Here* is a fascinating read and addition to

Christian and spirituality collections The Midwest Book Review Read full review at Midwest Book Review Fr Brian Grogan SJ takes a fresh and intelligently satisfying approach to such well worn topics as the general judgment heaven hell and purgatory He offers a fresh and hopeful look at the Christian vision of life after death and is an excellent choice for group discussions on life after death Liguorian      **The Homiletic Review** ,1896
