

2023 BIOETHICS FINAL EXAM QUESTIONS WITH CORRECT ANSWERS

1. ☆ A 15-year-old girl is brought to the Covid Vaccination center to receive her first dose of the SARS COV2 mRNA vaccine. Prior to the procedure, the mother asks the child if she is willing to receive the jab right now. The mother asked for the child's__?

- a. Consent
- b. Parental right
- c. Permission
- d. Assent - Answer: d. Assent

2. A 4-year-old child was diagnosed to have liver cirrhosis at one year old. He was brought to the ER obtunded and dyspneic. On the third hospital day, he had massive GI bleeding. Despite all measures, he progressively deteriorated. He is now intubated, on a respirator maintained with repeated blood transfusion and vasopressors. His family insisted that everything must be continued, but the attending physician decided to discontinue the interventions since they were futile. He explained that the patient's case is already irreversible, and the doctor chooses the one that maximizes the benefits compared with the burdens to the patient. The attending physician respects what principle?

- a. Justice
- b. Autonomy
- c. Assent
- d. Best interest - Answer: d. Best interest

3. The medical director's daughter, under your care, tested positive for a pregnancy test. She was raped a month ago, and the family requested you as the attending physician to keep everything a secret. The family filed a case against the perpetrator, and you were given the subpoena to testify to the fiscal. In this situation, you are authorized to break the principle of confidentiality on the following grounds:

- a. Best interest
- b. Public safety
- c. Autonomy
- d. Court Summons - Answer: d. Court Summons

4. Ashley is a 9-year-old female whose cerebral development is

Reich, 1978 315 signed articles covering ethical and legal problems basic concepts and principles ethical theories religious traditions historical perspectives and disciplines bearing on bioethics Intended primarily for teachers students journalists and other writers health professionals and those involved with public policy related to health care and the life sciences Each entry gives article signature cross references and bibliography Appendix contains various codes or statements relevant to medical ethics Index **Contemporary Issues in Bioethics** Tom L. Beauchamp, LeRoy Walters, 1999 This anthology represents all major points of view on the central topics in bioethics It contains current essays and actual medical and legal cases written by outstanding scholars from around the globe The book provides readers with diverse views from many standpoints including medical researchers and practitioners legal experts and philosophers First Things, 2008 International Encyclopedia of the Social & Behavioral Sciences Neil J. Smelser, Paul B. Baltes, 2001 The largest work ever published in the social and behavioural sciences It contains 4000 signed articles 15 million words of text 90 000 bibliographic references and 150 biographical entries What's on the Internet Eric Gagnon, 1995 Details ways for the reader to find out what online discussion and information groups exist on the Internet and explains how to connect with them The book features mini reviews of 2300 newsgroups Frequently Asked Question FAQ files and a 5500 word alphabetically organized subject index Canadian Family Physician, 1979 **The Future of the Disabled in Liberal Society** Hans S. Reinders, 2000 The Future of the Disabled in Liberal Society questions developments in human genetic research from the perspective of persons with mental disabilities and their families Hans S Reinders argues that when we use terms such as disease and defect to describe conditions that genetic engineering might well eliminate we

may also be assuming that disabled lives are deplorable and horrific Reinders points out that the possibility of preventing disabled lives is at odds with our commitment to the full inclusion of disabled citizens in society The tension between these different perspectives is of concern to all of us as genetic testing procedures proliferate Reinders warns that preventative uses of human genetics might even become a threat to the social security and welfare benefits that help support disabled persons and their families Reinders also argues that this conflict cannot be resolved or controlled on the level of public morality Because a liberal society makes a commitment to individual freedom and choice its members can consider the diagnostic and therapeutic uses of human genetics as options available to individual citizens A liberal society will defend reproductive freedom as a matter of principle Citizens may select their offspring in accord with their own personal values Reinders concludes that the future of the mentally disabled in liberal society will depend on the strength of our moral convictions about the value of human life rather than on the protective force of liberal morality One of the most important aspects of this book is Reinder s attention to parents who have come to see the task of raising a disabled child as an enriching experience These are people who change their conceptions of success and control and therefore their conceptions of themselves They come to value their disabled children for what they have to give Even though disabled children and disabled adults present parents and society with real challenges the rewards are just as real This powerful critique of contemporary bioethics is sure to become required reading for those interested in human development special education ethics philosophy and theology

Our Fragile World Mostafa Kamal Tolba,2001 **Law Quadrangle Notes** ,1997
American Journal of Public Health ,1999-07 Schizophrenia Bulletin ,2006 Ethical Issues in Modern Medicine John D. Arras,John Arras,Bonnie Steinbock,1999 This comprehensive anthology represents the key issues and problems in the field of medical ethics through the most up to date readings and case studies available Each of the book s six parts is prefaced with helpful introductions that raise important questions and skillfully contextualize the positions and main points of the articles that follow

Full Version Sample Bioethics Questions With Answers Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Full Version Sample Bioethics Questions With Answers free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Full Version Sample Bioethics Questions With Answers free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Full Version Sample Bioethics Questions With Answers free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Full Version Sample Bioethics Questions With Answers. In conclusion, the internet offers numerous

platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Full Version Sample Bioethics Questions With Answers any PDF files. With these platforms, the world of PDF downloads is just a click away.
