of outside inside seems perpetually troubled throughout the career of this important comics artist known for *Fun Home* *Are You My Mother* and *Dykes to Watch Out For* This volume extends the body of scholarship on her work from a range of interdisciplinary perspectives In a definitive collection of original essays scholars cover the span of Bechdel's career placing her groundbreaking early work within the context of her more well known recent projects The contributors provide new insights on major themes in Bechdel's work such as gender performativity masculinity lesbian politics and representation trauma life writing and queer theory Situating Bechdel among other comics artists this book charts possible influences on her work probes the experimental traits of her comics in their representations of kinship and trauma combs archival materials to gain insight into Bechdel's creative process and analyzes her work in community building and space making through the comics form Ultimately the volume shows that Bechdel's work consists of performing a series of selves serializing the self as it were each constructed and refracted across and within her chosen artistic modes and genres

Martin, 2018-10-05 Due to the huge success of her graphic memoir *Fun Home: A Family Tragicomic* in 2006 and its subsequent Tony Award winning musical adaptation in 2009 Alison Bechdel b 1960 has recently become a household name However Bechdel who has won numerous awards including a MacArthur Fellowship has been writing and drawing comics since the early 1980s Her comic strip *Dykes to Watch Out For* DTWOF stood out as one of the first to depict lesbians in popular culture and is widely hailed as an essential LGBTQ resource It is also from this comic strip that the wildly popular Bechdel Test a test to gauge positive female representation in film obtained its name While DTWOF secured Bechdel's role in the comics world and queer community long before her mainstream success Bechdel now experiences notoriety that few comics artists ever achieve and that women cartoonists have never attained Spanning from 1990 to 2017 Alison Bechdel *Conversations* collects twelve interviews that illustrate how Bechdel uses her own life relationships and contemporary events to expose the world to what she has referred to as the fringes of acceptability the comics genre as well as queer culture and identity These interviews reveal her intentionality in the use of characters plots structure and cartooning to draw her readers toward disrupting the status quo Starting with her earliest interviews on public access television and in little known comics and queer presses Rachel R Martin traces Bechdel's career from her days with DTWOF to her popularity with *Fun Home* and *Are You My Mother* This volume includes her one off DTWOF strips from November 2016 and March 2017 not anthologized anywhere else and in depth discussions of her laborious creative process as well as upcoming projects      **The Secret to Superhuman Strength** Alison Bechdel, 2021 From the bestselling award winning author of *Fun Home* All her life Alison Bechdel has searched for an elusive secret The secret to superhuman strength She has looked for it in her favourite books the lives of her heroes celibacy polyamory activism therapy and most obsessively in her lifelong passion for exercise Skiing running karate cycling yoga weight lifting

**Are You My Mother?** Alison Bechdel, 2012 A graphic novel follow-up to *Fun Home* depicts the author's mother as a voracious reader music lover and passionate amateur actress who quietly suffers as the wife of a closeted gay artist and withdraws from her young daughter Handbook of Autobiography / Autofiction Martina Wagner-Egelhaaf, 2019-01-29 Autobiographical writings have been a major cultural genre from antiquity to the present time General questions of the literary as e.g. the relation between literature and reality truth and fiction the dependency of author narrator and figure or issues of individual and cultural styles etc. can be studied preeminently in the autobiographical genre Yet the tradition of life writing has in the course of literary history developed manifold types and forms Especially in the globalized age where the media and other technological cultural factors contribute to a rapid transformation of lifestyles autobiographical writing has maintained even enhanced its popularity and importance By conceiving autobiography in a wide sense that includes memoirs diaries self-portraits and autofiction as well as media transformations of the genre this three-volume handbook offers a comprehensive survey of theoretical approaches systematic aspects and historical developments in an international and interdisciplinary perspective While autobiography is usually considered to be a European tradition special emphasis is placed on the modes of self-representation in non-Western cultures and on inter- and transcultural perspectives of the genre The individual contributions are closely interconnected by a system of cross-references The handbook addresses scholars of cultural and literary studies students as well as non-academic readers **Spent** Alison Bechdel, 2025-05-20 The celebrated and beloved New York Times bestselling author of the modern classic *Fun Home* presents a laugh-out-loud brilliant and passionately political work of autofiction Truthful rueful and delightful LA Times In Alison Bechdel's hilariously skewering and gloriously cast new comic novel confection a cartoonist named Alison Bechdel running a pygmy goat sanctuary in Vermont is existentially irked by a climate-challenged world and a citizenry on the brink of civil war She wonders Can she pull humanity out of its death spiral by writing a scathingly self-critical memoir about her own greed and privilege Meanwhile Alison's first graphic memoir about growing up with her father a taxidermist who specialized in replicas of Victorian animal displays has been adapted into a highly successful TV series It's a phenomenon that makes Alison formerly on the cultural margins the envy of her friend group recognizable as characters now middle-aged and living communally in Vermont from Bechdel's beloved comic strip *Dykes to Watch Out For* As the TV show *Death and Taxidermy* racks up Emmy after Emmy and when Alison's Pauline Bunyanesque partner Holly posts an instructional wood-chopping video that goes viral Alison's own envy spirals Why couldn't she be the writer for a critically lauded and wildly popular reality TV show like *Queer Eye* showing

people how to free themselves from consumer capitalism and live a more ethical life Spent's rollicking and masterful denouement making the case for seizing what's true about life in the world at this moment before it's too late once again proves that nobody does it better New York Times Book Review than the real Alison Bechdel *Fun Home*, 2015 This book takes its place alongside the unnerving memorable darkly funny family memoirs of Augusten Burroughs and Mary Karr It's a father daughter tale perfectly suited to the graphic memoir form Meet Alison's father a historic preservation expert and obsessive restorer of the family's Victorian house a third generation funeral home director a high school English teacher an icily distant parent and a closeted homosexual who as it turns out is involved with male students and a family babysitter Through narrative that is alternately heartbreaking and fiercely funny we are drawn into a daughter's complex yearning for her father And yet apart from assigned stints dusting caskets at the family owned fun home as Alison and her brothers call it the relationship achieves its most intimate expression through the shared code of books When Alison comes out as homosexual herself in late adolescence the denouement is swift graphic and redemptive From publisher description
