## **Finding You Marc Levy:**

Finding You Marc Levy, 2012-06-01T00:00:00Z He strove for an ideal love She simply loved him When they were growing up Susan and Philip meant everything to each other In the spirited optimism of their youth they swore that they would love each other forever even if their lives forced them apart She had plans to fight poverty in Central America while he would try to make it in Manhattan Philip made a promise whatever happened to Susan he would always be there for her Little did he know that this promise would transform his life that keeping it would mean opening his heart to an unwanted stranger to someone who would first shatter his world but would ultimately bring everything together In a fast paced and masterfully woven story where nothing turns out as expected in a tale that takes you from the eye of a hurricane to the depths of a soul insightful and moving Marc Levy pays tribute to the triumph of love A great love story that unravels between New York and Honduras so enjoyable that you can t help but read it all in one go Elle If Only It Were True Marc Levy, 2005-05-17 What do you do when you find a stranger in your closet particularly when she s surprised that you can even see her and she can disappear and reappear at whim The Uncomfortable Truth Anna Mathur, 2024-08-08 Gently challenging deeply empowering Julia Samuel Sunday Times bestselling author of This Too Shall Pass Some people don t like me Bad things will happen to people I love I m going to fail these words underpinned my anxieties and nightmares I bet they feature in yours too Our fears are anchored in the unavoidable truths of life all things reach an end bad things happen and we lack the control we crave As an experienced psychotherapist who s had years of therapy I realised that ploughing endless energy into trying to control the uncontrollable is keeping us all tired wired and worried Ignoring fears doesn t make them less true it makes them more powerful I decided to try a different tact and it changed my world Instead of doing everything I could to ease and avoid life s uncomfortable truths I sought a deeper acceptance of them Through using this approach my clients and I discovered that fear began to loosen its grip We were living more intentionally and peacefully So face your fears one a chapter at a time and discover who you are without worry doubt and people pleasing holding you back If Only It Were True 2 Marc Levy, 2012-06-01T00:00:00Z If life gave you a second chance to meet your first love again would you risk everything to take it If life gave you a second chance to meet your first love again would you risk everything to take it When Arthur returns to San Francisco after a self imposed exile in Paris he rediscovers his best friend his job and the city he loves The one thing missing is Lauren the woman he had sacrificed everything to save only to lose her minutes later Arthur is resigned to never see Lauren again But when fate intervenes it is Lauren s turn to save Arthur If only she can find him in time The sequel to Marc Levy s international bestseller If Only It Were True this is an adventure that is by turns breathtaking and hilarious and a heart warming love story that is impossible to forget France s very own Dan Brown Livres Hebdo <u>Library Research Guide to Psychology</u> Nancy E.
