belonging to the god of smiths and fire capable of destroying anything made within a forge old or new And the man wielding it is an elf who stirs uneasy echoes of past darkness within Bethany As the attacks intensify and draw ever closer to home it s increasingly evident that not only do the keys to finding the culprits lie in the past Bethany can t remember but he s someone who knew her very well indeed Someone who has no qualms about doing whatever it takes to get what he wants from her Even if that means killing Lugh *Broken Bonds* Keri Arthur,2021-10-26 The winds of change are finally whispering through the Faelan Werewolf Reservation Lizzie Grace is doing her utmost to ignore the portents of doom wanting nothing more than enjoy her life and her time with Aiden O Connor while she still can But the song of the once unprotected and very powerful wellspring still washes across the distant shores of darkness and it continues to draw evil to the reservation The one that arrives this time is different from the others Not only is it skilled in magic but its kills are very specific Very targeted As the brutal deaths mount up and she Monty and Aiden struggle to find answers and stop the killings Lizzie begins to suspect there s more to this particular evil than meets the eye Especially when it helps save the life of a child But the biggest threat to Lizzie comes not in the form of evil but rather the changes whispered on the wind Because the werewolf Aiden once asked to be his wife has finally arrived back in the reservation And she s determined to get her man Ring of Ruin Keri Arthur,2023-06-27 The race to find Agrona s final claw begins Having claimed the Sword of Darkness Bethany Aodh n must now destroy it no simple task when the only means of doing so has long been hidden from humanity by the old gods Hand in hand with that quest comes the need to find the Ring of Ruin before their enemies But those enemies are closer to achieving their goals than Beth and her brother Luke realize and they have destruction on their minds Not just of a world but of all those who get in their way As the quest for answers leads them from the realms of the old gods to deep underground it becomes increasingly clear that someone close to them is working with the enemy As danger closes in survival becomes a battle One Bethany might not win Because the traitor in their midst has her in his sights and plans to use her as bait
