Singapore Politics Under the People's Action Party Diane K. Mauzy, Robert Stephen Milne, 2002 A comprehensive overview of politics in Singapore since self governance The authors examine how this tiny island has developed into a global financial centre and an economic and social success under the leadership of the People's Action Party which has ruled continuously since 1959 The authors explore the nature of the Singaporean government as well as major issues such as ethnicity human rights and the development of civil society

From Third World to First: The Singapore Story, 1965-2000 Lee Kuan Yew, 2012-09-15 Few gave tiny Singapore much chance of survival when independence was thrust upon it in 1965 Today the former British trading post is a thriving Asian metropolis with one of the world's highest per capita income The story of that transformation is told here by Singapore's charismatic controversial founding father Lee Kuan Yew From Third World To First continues where the best selling first volume The Singapore Story left off and brings up to date the story of Singapore's dramatic rise It was first published in 2000 Delving deep into his own meticulous notes and previously unpublished papers and cabinet records Lee details the extraordinary efforts it took for an island city state in Southeast Asia to survive with just a razor's edge to manoeuvre in as Albert Winsemius Singapore's economic advisor in the 1960s put it We read how a young man of 42 and his cabinet colleagues finished off the communist threat to the fledgling state's security and began the long hard work of building a nation creating an army from scratch stamping out corruption providing mass public housing and masterminding a national airline and airport Lee writes frankly about his trenchant approach to political opponents and his often unorthodox views on human rights democracy and inherited intelligence aiming always to be correct not politically correct Nothing about Singapore escaped his watchful eye whether choosing shrubs for roadsides restoring the romance of historic Raffles Hotel of persuading young men to marry women as well educated as themselves Today's safe tidy Singapore certainly bears his stamp but as he writes If this is a nanny state I am proud to have fostered one
