Full Measure T Jefferson Parker:

Full Measure T. Jefferson Parker, 2014-10-07 Patrick Norris returns to rural California after serving with the Marine Corps in Afghanistan. Fire has ravaged his home farm and it has all become too much for his parents and brother to manage. The country has changed though notably after the mass killings of children in schools across the United States invariably by lone gunmen and a great tension exists in the people. Is there really a case for an even wider ownership of guns? Patrick's brother Ted hasn't had it easy in life. Health conditions have slowed him down and set him apart. Ted worships Patrick and Patrick knows he has to be an example but settling down to the country life cannot be easy after Iraq. When a child is mown down by an unknown driver suspicion takes over Fallbrook. There will be deaths before it is all resolved perhaps many and perhaps the death of innocents.

Down to No Good Earl Javorsky, 2017-10-30 Private investigator Charlie Miner freshly revived from his own murder gets a call from Homicide Detective Dave Putnam. Self-styled psychic to the stars Tamara Gale has given crucial information about three murders and the brass thinks it makes the Department look bad. Dave wants Charlie to help figure out the angle since he has first hand experience with the inexplicable. Trouble is Charlie just weeks after his full death experience once again has severe cognitive problems and may get them both killed. When he wakes up on a slab in the morgue with a hole in his head though things get even worse. Just before the shooting Charlie was investigating a case involving fraud gold religious zealots and a gorgeous woman who seemed to be at the center of everything. Even with a fatal bullet wound Charlie can connect the dots from the case to his attack. And when his daughter is abducted by someone involved the stakes get exponentially higher.
