Clearly, the 1st basic thing that you want to learn in order to be able to read sheet music is what note to play. Instead of writing out letters on a page, the universal way of communicating which notes are to be played is via the **staff**.

The Staff

Staff notation is built on a series of 5 lines called a staff (or stave) and is the foundation upon which music is written....

A note can be placed on different lines or spaces - the higher up the stave, the higher the note sounds....
