A Christian Apologetic For Christian Apologists Lance Waldie, 2013-01-09 The Christian faith is based on historical truths that if properly understood can be defended as truth and not wishful thinking In a day and age where it is said that truth does not exist or that truth is whatever people believe it is Christians must stand up and present the truth of Jesus Christ in a loving and clear way We are to be prepared at all times to defend our faith why we believe that Jesus is the Christ the Son of God This book lays out the traditional arguments for the existence of God proves that there must be only one God for anything to exist that does exist and then it demonstrates that the only God is Jesus Christ Moreover the Bible is shown to be reliable and believable for it is the logical avenue through which God if He exists would communicate with His people

Biblical Apologetics Clifford B. McManis, 2013-07-26 The book you are holding in your hands is perhaps the simplest most straightforward summary and how to guide for presuppositional apologetics now in print It is both informative and practically helpful I believe you will find it an extremely useful tool whether you are an professor at the seminary level seeking supplemental reading material or just a simple lay person looking for practical answers Pastor McManis writes with crisp clarity in a way that is certain to give you fresh insight into what Scripture teaches about the defense of the Christian faith I wish this book had been available when I was studying apologetics in seminary John MacArthur Pastor Teacher Grace Community Church President of The Masters College and Seminary Cliff has rescued the discipline from the elite circle of the intelligentsia and returned it as a biblical theology of truth communication to the common people i e to all believers This volume will be of great help in the restoration of the practicality of biblical apologetics as it was exemplified in the early Church Hopefully today's readers will be able to understand and put into practice the true nature of Peter's command in 1 Peter 3:15 as it is strategically situated in its defining context George J Zemek Academic Dean The Expositors Seminary Jupiter Florida
