*Forgetting Fathers* David Marshall, 2015-09-24 In *Forgetting Fathers* David Marshall weaves together the stories of his grandfather and great grandfather with his own quest to solve the mystery of his family's past Beginning as a search for his lost family name Marshall attempts to understand the origins of his grandfather who spent part of his childhood in the Hebrew Orphan Asylum of the City of New York He also reconstructs the life and death of his great grandfather a Russian immigrant tailor who died at age thirty six in a private sanitarium dedicated to the treatment of mental and nervous diseases The narrative becomes a detective story that reflects on our ambivalence about origins the relation between history and mourning and the compulsion to search for life stories *Forgetting Fathers* combines historical accounts based on records reports and public documents with autobiographical reflections and speculations Included throughout are photographs newspaper clippings and facsimiles of original documents that provide a sense of both the texture of the times and the fabric of archival and genealogical research

Back cover      **The Father Who Forgot His Children** Beverley Marley, 2001-11-01      [My Parents' Orphans: The Rosie George Finocchi Story](#) Rosie George Finocchi, 2019-05-14. We were the quintessential small town all American family with loving parents. I was the oldest of five children. We loved small town parades, picnics, my mom's deviled eggs and fireworks. Dad was an Eagle Boy Scout leader and Mom was a Brownie Troop leader. We were the joyful, happy traditional family on your Hallmark greeting cards, the kind of family Norman Rockwell used as models for his American Family paintings. And suddenly, one morning without even the smallest warning, just like in the movies when there's a horrible screeching ripping sound and everything freezes and the picture you see on the screen literally rips into two jagged pieces, our wonderful happy secure life just ended. Poof! Completely permanently and forever gone. I was 13 years old and fatherless. When I was 19, I added being motherless. My four younger siblings and I were orphans.      **Father to the Fatherless** Paul H. Borge, Bruce Wilkinson, 2005. Six year old Charles Mulli wakes up in his Kenyan hut to discover his parents have abandoned him. Forced to beg from hut to hut in search of food, Charles scrapes out a meagre existence while trying to come to terms with his abusive past. Then, in a dramatic turn of events, Charles experiences unprecedented success. He finds a wonderful wife, raises a family, excels in business to such a degree that he creates an empire that is noticed by the President of Kenya and he becomes a pinnacle in the church movement. Charles is on top of the world. And then his world changes. In spite of his tremendous achievements, the plight of the growing street children problem in his country remains strong in Charles' heart. He is unable to shut out their cries, the cries he understands so well, and he realizes he must respond. Father to the Fatherless tells the true story of a man who makes a decision to sell everything he has to help the poor. It's a decision that goes so counter intuitive to those around him that he is soon completely ostracized, forcing him to carry out what seems like an impossible and unexplainable mission. Now armed only with his relationship with God, Charles and his family struggle on physical, financial and spiritual fronts to rescue street children from the slums of Kenya and provide them with the hope of new life.
