Leave Them in the Dust! DC Faure, 2016-01-15 I don't know of a single Executive Education business or training organisation who would not get some type of improvement by using the strategies in this book. Contrary to media coverage growing your Executive Education business or any type of training business for that matter is not down to magic or superhuman business acumen. It has everything to do with understanding the way your customers think, outthinking your competitors and combining a stream of innovative courses, services and messages into an unbeatable value proposition. This book gives you the ammunition to rapidly boost your competitive advantage leading to increased bookings for courses and development programmes virtually overnight. This book shows you how to take control of your results. Why you should rely on your intuition to understand your industry. 12 ways to write winning headlines and subject lines. Why emails must be under 30 seconds long. How to get more clicks from SEO without increasing your rankings. Slash your Pay per Click costs and get more quality prospects. The type of content marketing that works. Why you won't need to create content from scratch. The lead generation system that outperforms your website by 1600%. How to choose your markets and make growth easy. Billion strategy levers. 6 Rapid Business Multipliers you can apply right away. The Significance of A/B Split Testing for breakthrough performance. Why you need more than marketing skills to succeed. 5 management tools for you. Where to target your efforts in social media marketing. Plus much more.

Writing in the Content Areas, Grade 2 Garth Sundem, 2006-08-10 Provides techniques, lessons, plans and ready-to-use assignments to help integrate the traits of good writing into all areas of the curriculum.

The Flourish Series Liza Kobayashi, 2016-07-08 This book is a classic for this hour. It is actually divided into two smaller books to facilitate study learning. The author shares foundational principles of finding Jesus and becoming part of His kingdom. She outlines the significance of knowing Him and being in relationship with Him. This book is also interactive. It challenges a reader to look deep within the depths of one's heart and to allow the Holy Spirit who is the source of power for the believer to flourish, to release inner healing, freedom and revelation of his/her true identity. This book is timeless and will help all believers to grow in their faith. It is a useful teaching tool for small groups, a ready source for new believers and a call for all of us to be more effective as God's warriors in the days ahead. This book is a must-have for your library.
