**Islamic Law and International Commercial Arbitration** Maria Bhatti, 2018-09-27 This book examines the intersection between contemporary International Commercial Arbitration and Shari a law in order to determine possible tensions that may arise between the two systems It develops evidentiary and procedural rules under Shari a as well as examining the consequences of stipulating qualifications of arbitrators based on gender and or religion The author extensively analyses the prohibition against interest riba and uncertainty gharar under Shari a and its impact on arbitration agreements arbitral awards and public policy The book also explores the prohibition against riba in light of international conventions such as the United Nations Convention on Contracts for the International Sale of Goods Case studies in the book include the Asian International Arbitration Centre formerly the Kuala Lumpur Regional Centre for Arbitration and the International Islamic Centre for Reconciliation and Arbitration as well as the Shari a Standards developed by the Accounting and Auditing Organization for Islamic Financial Institutions The book will be a valuable resource for academics students and practitioners working in the areas of Islamic law and the Islamic finance industry

*Rockefeller* Jacob Nordangård, 2024-04-02 Why would the first family of oil so ardently support environmental climate research and activism Join author and researcher Jacob Nordang rd as he uncovers the whole sordid truth The Rockefeller family is one of the richest in the world Yet why would the family that made the world dependent on oil fund environmental and climate research since the 1950s help shape climate policy measures since the 1980s and supported climate activism since the 1990s Rockefeller Controlling the Game is the thrilling and paradoxical story of one of the world s most influential global players Through its top position in American business close contacts with the White House and with their immense financial power as one of the world s leading private research funders the Rockefellers have been able to anchor the climate issue both scientifically and politically Yet what is the reasoning behind doing so Author and researcher Jacob Nordang rd follows the family from the founding of Standard Oil and the Rockefeller Foundation up through the

aftermath of the Paris Agreement with the declaration of the Fourth Industrial Revolution in January 2016 to the present day Nordang rd s in depth research includes the large quantities of new material recently made available on the Internet as well as the Rockefeller Foundation s own annual reports Nordang rd s main focus is the Rockefeller family s involvement in climate research and politics but the actions and motives of some of their allies are also explored as well as the family s influence on the development of modern medicine family planning agriculture art architecture behavioral science information technology and politics The Rockefeller family s utopian dream of a perfect world will have serious consequences for the survival of the human species and life as we know it The Rockefeller Foundation s stated mission to promote the well being of humanity throughout the world has a dark flipside as Nordang rd will prove the Rockefeller family s long standing battle against climate change contains elements of sophisticated propaganda techniques futurism and New Age philosophy aiming at a complete transformation of the whole earth system including economy ecology culture and even humanity itself

**Disaster Law** Amita Singh,2017-07-28 This book looks at how legal frameworks can and do reduce risks arising out of disasters The volume analyses existing disaster laws and the challenges on the ground brings together case studies from some of the most vulnerable regions and proposes solutions to avert existing and possible future crises The book offers appropriate legal frameworks for disaster management which could not only offer sustainable institutional reforms towards community resilience and preparedness but also reduce risk within the frameworks of justice equity and accountability It examines the intricacies of governance within which governments function and discusses how recent trends in infrastructure development and engineering technology could be balanced within the legal principles of ethics transparency and integrity The chapters in the volume suggest that legal frameworks ought to resonate with new challenges of resource management and climate change Further these frameworks could help secure citizens trust institutional accountability and effective implementation through an unceasing partnership which keeps the community better prepared and more resilient This volume will be indispensable to scholars and researchers of disaster management law public policy environment and development studies as well as policymakers and those in administrative governmental judicial and development sectors

**Contract Termination in International and Domestic Trade** Bashayer Al-Mukhaizeem,2024-09-25 This book highlights the right to terminate a contract yielding invaluable insights to enable policymakers and legal practitioners to facilitate international trade In the modern landscape of globalised trade the imperative of a harmonised legal framework of contract law capable of fostering stability and trust in cross border trade has never been more pronounced This is represented in the United Nations Convention on Contracts for the International Sale of Goods CISG providing rules that can be known understood and abided by globally This book focuses on the termination of contracts one of the harshest remedies when a sale of goods contract is breached by the seller Breaches by the seller dealt in this book are confined to breaches of contractual description delivery time and quality of goods which are the most common violations of sale of goods contracts

This book scrutinises the methods adopted for challenging or facilitating contractual termination by CISG as a transnational law as well as the Sale of Goods Act 1979 SGA and Kuwaiti law KLaw both of which are national laws of non contracting states of CISG This study also draws attention to lacunae and practical issues focusing on critical analyses of law and cases and recognises the adopted themes underlying each law to find the degree of their legal clarity and the threshold upon which termination can be granted This comprehensive analysis also provides inspiration for beneficial changes by weighing the pros and cons of each system The book will be of interest to practitioners students and scholars in the fields of contract law trade law commercial law and international law
