powerful side of yourself that was always there and sharing it with a person who wants to make you happy It s about closeness and connection not cruelty FemDoms are to lead and not follow be confident and be yourself say what you mean and be attractive A Warning for the Man Men in Her Life this book will teach your partner how to be more dominant controlling learn how to train you learn how to punish you and hold you accountable for your actions if you buy this book for her you might get more than you asked for You may want to quietly set it aside and buy her a set of fuzzy handcuffs instead You have been warned **Folly** Jassy Mackenzie,2013-02-01 Emma Caine is pushing forty and life is hitting her hard Her husband has been brain damaged she s lost her job and she might lose her home Instead of giving up Emma starts hitting back Drawing on experiences from a misspent youth she opens a domination dungeon in an outbuilding in her garden and sets herself up as a dominatrix Whipping torturing and abusing the wealthy slaves who soon start lining up for her services is surprisingly easy for Emma especially since she has no sexual contact with her clients In fact she believes them all to be sick perverts The unthinkable happens when she falls in love with one of them the disturbingly likeable Simon Nel Fighting her emotions every step of the way Emma finds herself drawn into a twisted and potentially doomed relationship that will force her to reconsider everything she thought she knew about love sexuality and power **Exceptional State** Ashley Dawson,Malini Johar Schueller,2007-06-29 Explores the role culture plays in legitimating unsettling and contesting America s aggressively interventionist foreign policy since 9 11 **The Mistress Manual Part II** Mistress Dede,2015-08-24 Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word When the thoughts of being in control creep into your head that sexy little smile starts to play over your lips and you start to get some ideas that you want to try on your man As women we have all been there but being women many of us are unable to take hold of our control and dominate a man The idea of being a dominatrix is often seen as a sexual and social taboo and many women are afraid of what society would say what our family and friends would think and in general we feel that it isn t the position of a woman to take the stance of power and control Women are seen naturally as the weaker sex the one to be protected by a man and the man in the relationship is often seen to be in control the leader the strong and dominant one Social norms often dictate how we feel about ourselves and sometimes it can hinder who we really are inside Take heed ladies We are women We are strong We are powerful We are fierce We are romantic We are dynamic We are caring We are fighters We are lovers We are women This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress Being a Mistress isn t all about leather outfits stiletto heels and a whip in your hand It is a journey between you and your partner where you are the leader you are in control and you have the final say It is a path of adventure where you make the choices you take charge and where you can let all of your inhibitions go It will give you insight into a new you the one who has been trapped behind the social norms for far too long Ladies welcome your inner Mistress
