The Greatest Historical Novels - Charles Reade Edition

Charles Reade,2022-01-04 This meticulously edited collection contains the best works of Charles Reade English novelist and dramatist famous for his historical novels The Cloister and the Hearth is a Reade s most successful work The story is set in 15th century and it is based on the life of parents of the infamous philosopher Erasmus Griffith Gaunt is a tale of a poor man who makes his fortune and a fine living but has one weakness in the form of an insane jealousy Hard Cash highlights the abuses of private lunatic asylums It Is Never Too Late to Mend depicts abuses in prison discipline and the treatment of criminals Peg Woffington portrays the London success of the Irish actress Peg Woffington and featured other prominent figures of the days such as David Garrick Put Yourself in His Place tells the story is of an English manufacturing town in which Henry Little a worker and inventor is persecuted by trade unions jealous because he was better trained than his fellows Foul Play In Victorian Britain a clergyman is wrongly convicted of a crime and transported to Australia Story
Virality Monica Leonelle,2021-05-25 You know how to market your book but is the book itself making it harder to gain traction This is a question that all writers and authors struggle with We aren t always great at evaluating our own work whether we are new to publishing or on our twentieth book And the answers we get from other authors is usually to Write to a more popular trend End the series faster Hire a developmental editor Try a new marketing tactic Change the cover or blurb Write the next book But here s the thing your back catalog is not dead weight You worked hard on your book or series and there s no reason you can t get it selling better Without having to write to a trend you re not passionate about Without having to add in tropes that don t make sense Without having to hire another editor editors can t fix a marketing issue within your story Without having to change your writing style Without having to do what everyone else says is the only thing that s selling right now Editing For Marketability is new and different It s an advanced approach to writing to market that breaks down why books sell based on persuasive writing techniques found across storytelling branding psychology public relations and marketing And yes it applies readily to novels I share the how in the book When you practice marketability editing you take your story through the Book Virality Stack a framework with six virality factors that helps you see where your book has marketing hooks and where it doesn t I teach you how to improve your marketability under each factor so you get to choose I also teach you how you can better emphasize the various hooks you already have in your book if you ve already published and don t have time for a full edit You can use this framework to Make sure your next release is written to market Fix an underperforming first in series or other reader magnet so your series starts selling better Build a breakout book from the ground up to bring visibility to your entire catalog You became a creative to express yourself and share your stories Editing For Marketability helps you connect to a larger audience without sacrificing your characters plot or autonomy over your work *Descriptive List[s] of Novels and Tales* William Maccrillis Griswold,1890 Descriptive List[s] of Novels and Tales
