Forgotten Ally China's World War II 1937-1945 Chinese Edition:

Forgotten Ally Rana Mitter, 2018-06-01 A history of the Chinese experience in WWII named a Book of the Year by both the Economist and the Financial Times Superb The New York Times Book Review In 1937 two years before Hitler invaded Poland Chinese troops clashed with Japanese occupiers in the first battle of World War II Joining with the United States the Soviet Union and Great Britain China became the fourth great ally in a devastating struggle for its very survival In this book prize winning historian Rana Mitter unfurls China's drama of invasion resistance slaughter and political intrigue as never before Based on groundbreaking research this gripping narrative focuses on a handful of unforgettable characters including Chiang Kai-shek Mao Zedong and Chiang's American chief of staff Vincent G. H. H. Stilwell and also recounts the sacrifice and resilience of everyday Chinese people through the horrors of bombings famines and the infamous Rape of Nanking More than any other twentieth century event World War II was crucial in shaping China's worldview making **Forgotten Ally** both a definitive work of history and an indispensable guide to today's China and its relationship with the West

China's War with Japan, 1937-1945 Rana Mitter, 2013 American edition has title **Forgotten ally China's World War II 1937-1945** **A Companion to Chinese History** Michael Szonyi, 2017-02-06 A Companion to Chinese History presents a collection of essays offering a comprehensive overview of the latest intellectual developments in the study of China's history from the ancient past up until the present day Covers the major trends in the study of Chinese history from antiquity to the present day Considers the latest scholarship of historians working in China and around the world Explores a variety of long range questions and themes which serves to bridge the conventional divide between China's traditional and modern eras Addresses China's connections with other nations and regions and enables non specialists to make comparisons with their own fields Features discussion of traditional topics and chronological approaches as well as newer themes such as Chinese history in relation to sexuality national identity and the environment

Chinese Sojourners in Wartime Raj, 1942-45 Cao Yin, 2022 This book is about how the activities of the Chinese sojourners in wartime India caused great concerns to the British colonial regime and the Chinese Nationalist government alike and how these sojourners responded to the surveillance discipline and check imposed by the governments

China's Good War Rana Mitter, 2020-09-15 A Foreign Affairs Book of the Year A Spectator Book of the Year Insightful a deft textured work of intellectual history Foreign Affairs A timely insight into how memories and ideas about the second world war play a hugely important role in conceptualizations about the past and the present in contemporary China Peter Frankopan The Spectator For most of its history China frowned on public discussion of the war against Japan But as the country has grown more powerful a wide ranging reassessment of the war years has been central to new confidence abroad and mounting nationalism at home Encouraged by reforms under Deng Xiaoping Chinese scholars began to examine the long taboo Guomindang war effort and to investigate collaboration with the Japanese and China's role in the post war global order Today museums television shows magazines and social media present the war as a

founding myth for an ascendant China that emerges as victor rather than victim One narrative positions Beijing as creator and protector of the international order a virtuous system that many in China now believe to be under threat from the United States China's radical reassessment of its own past is a new founding myth for a nation that sees itself as destined to shape the world A detailed and fascinating account of how the Chinese leadership's strategy has evolved across eras At its most interesting when probing Beijing's motives for undertaking such an ambitious retooling of its past Wall Street Journal The range of evidence that Mitter marshals is impressive The argument he makes about war memory and the international order is original The Economist *The Library Catalogs of the Hoover Institution on War, Revolution, and Peace*, Stanford University Hoover Institution on War, Revolution, and Peace, 1969 The Asian American Encyclopedia Franklin Ng, 1995 Explores the experience of Asian immigrants and the communities which they and their descendants have created in the United States and offers information about the history language and culture of Asian Americans diverse countries of origin
